The Other Death Struggle!

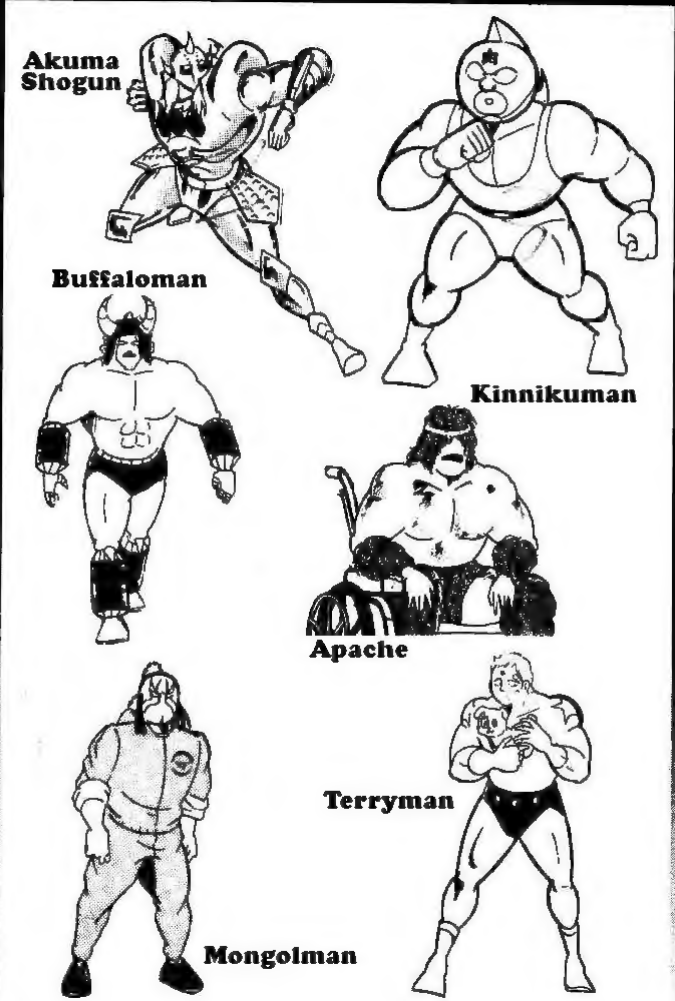
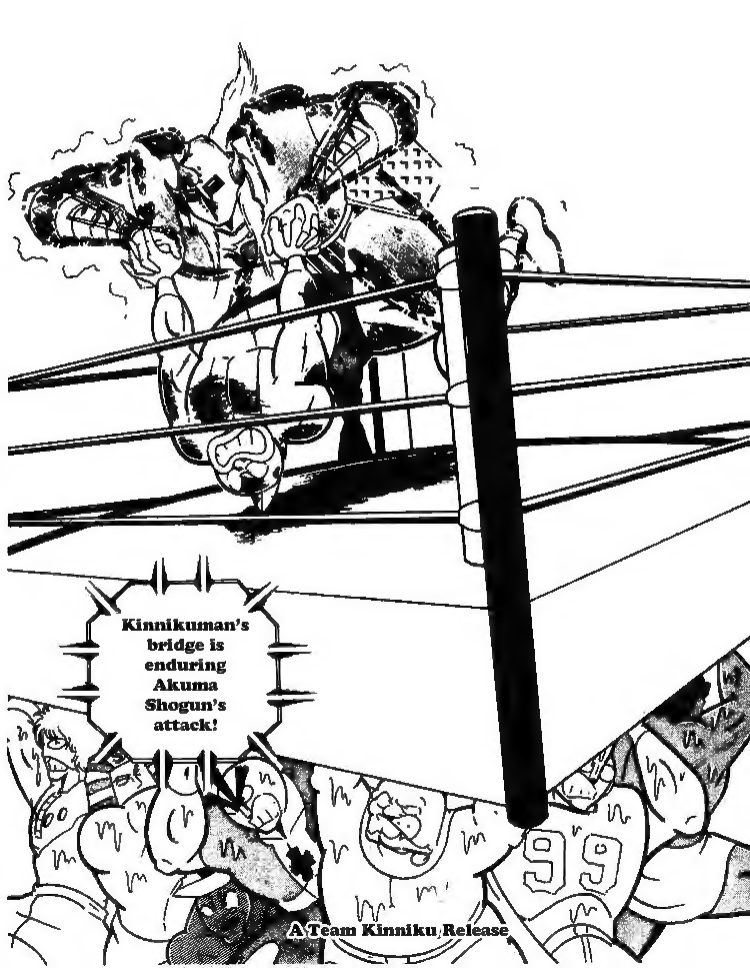
YUDETAMAGO

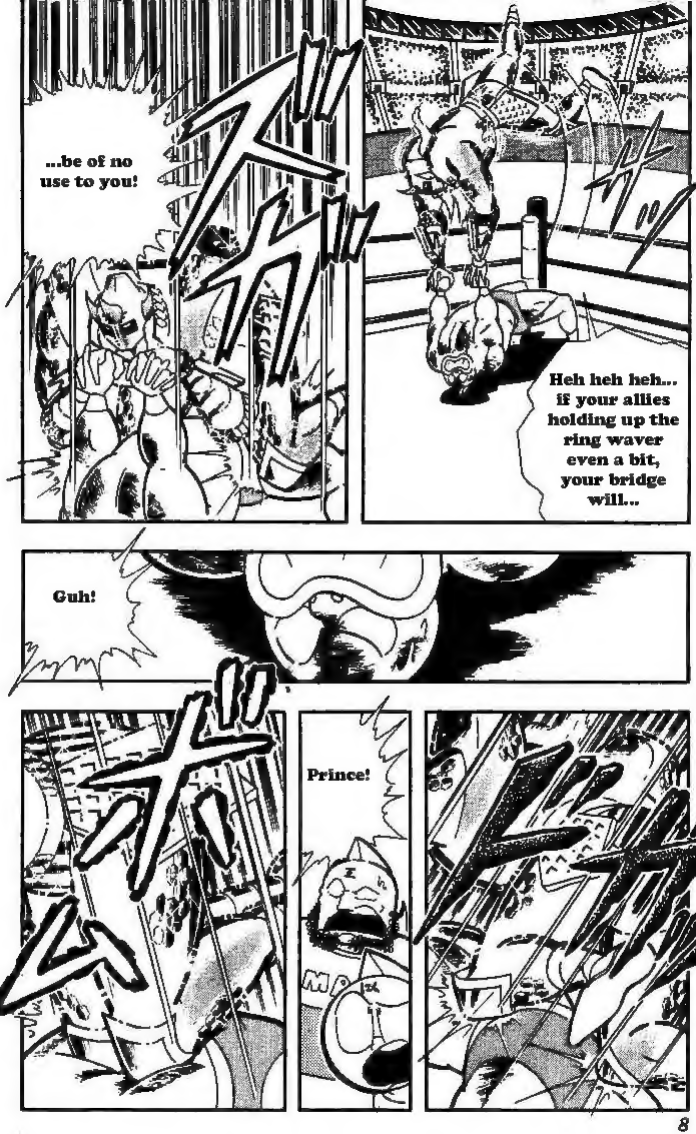
Cast of Characters



Golden Mask Arc 45:

Bridge of Death!





...be of no use to you!
Heh heh heh... if your allies holding up the ring waver even a bit, your bridge will...
Guh!
Prince!

Goh!
Kinnikuman's bridge is starting to fall!
Kinnikuman's bridge is falling and the Chojin taking the impact are falling one by one!
Sphinx-man... and Kintaman...
Gya!

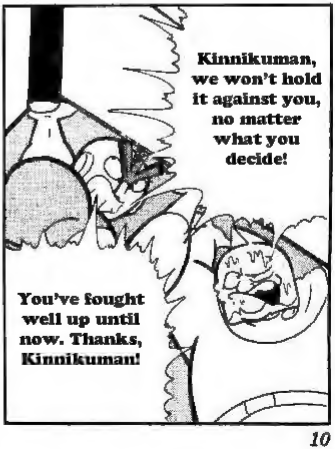
I know... I'm determined...

You're only suffering because you want to save your allies.
Throw away those feelings, so you won't suffer when your bridge falls. Choose an evil heart!

Damn it...
Remember, if your bridge falls down, your allies suffer!

Well, you understand?
Kinnikuman!

Uwahahaha! See? No matter how much love, justice and beauty there is in the world, evil still wins in the end!

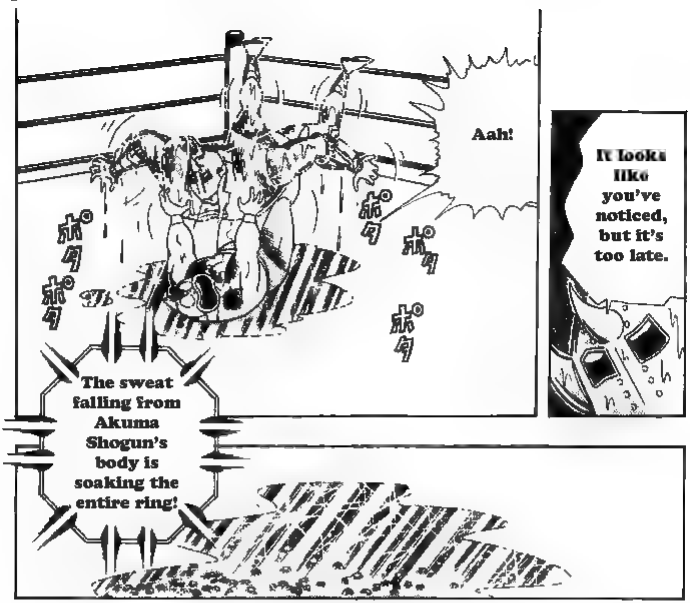


Kinnikuman, we won't hold it against you, no matter what you decide!
You've fought well up until now. Thanks, Kinnikuman!

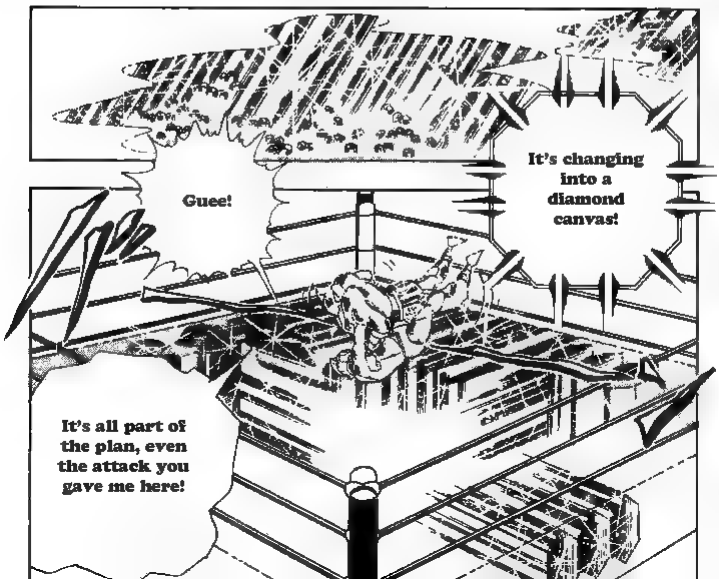
How could you not understand me?
Take this!
I'm determined to protect those allies to the end, even if it costs me my life!

Gyo...
Kinnikuman has captured Shogun in a Reverse Romero Style reversal!
Hear that, Kinnikuman!?
Look, all that sweat must mean he's in great pain from that Romero!
Akuma Shogun, who has a diamond body and feels no pain, seems to be in anguish from this technique!
Kinnikuman, don't ignore Shogun's sweat, or it'll cost you!
Huh?
No!
Shogun's sweat...

However, Kinnikuman doesn't understand the terror of my sweat!
What!?
I feel amazingly refreshed!
There hasn't been a Chojin in a long time who's avoided this much sweat...
Akuma Shogun, the amount you're sweating is abnormal. It's dangerous to continue. Do you give up?
Leave me alone!
Look closely at the beauty of the sweat flowing from my body!
Huh?
Diamond sweat!
It's...



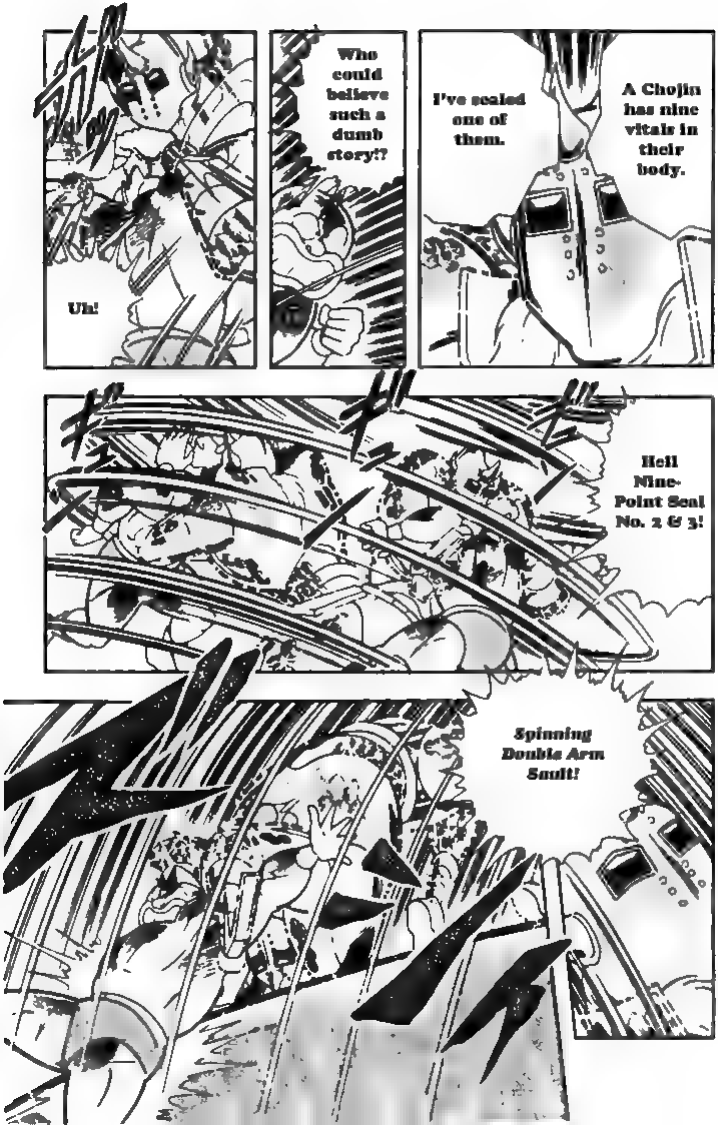
Aah!
It looks like you've noticed, but it's too late.
The sweat falling from Akuma Shogun's body is soaking the entire ring!



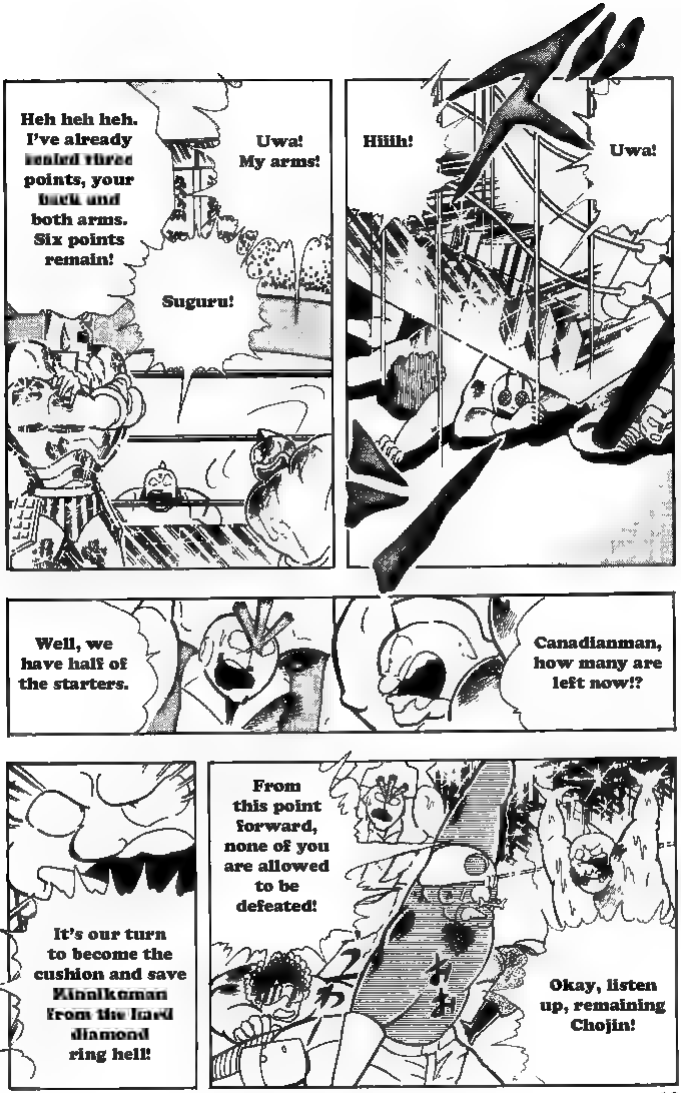
Guee!
It's changing into a diamond canvas!
It's all part of the plan, even the attack you gave me here!

Shogun found an opening and has rolled into a stance!
What technique is Akuma Shogun using!?
Hell Nine-Point Seal No. 1!

Note: Diasetsuzan is a volcanic mountain range in Hokkaido.



Uh!
Who could believe such a dumb story!?
I've sealed one of them.
A Chojin has nine vitals in their body.
Hell Nine-Point Seal No. 2 & 3!
Spinning Double Arm Suplex!



Heh heh heh. I've already nailed three points, your back and both arms. Six points remain!
Uwa! My arms!
Suguru!
Hiiih!
Uwa!
Well, we have half of the starters.
Canadianman, how many are left now!?
It's our turn to become the cushion and save Kinnikuman from the hard diamond ring hell!
From this point forward, none of you are allowed to be defeated!
Okay, listen up, remaining Chojin!

Chair-
man!
Right!
How much
friendship can
you really
have with this
Kinnikuman?
Uwahahaha!
Stop
with that
pretentious
play!
Uh!
Uuh...
Well, how
much?

...close. Just a bit closer and I'd have taken down the evil general!
Kinnikuman rises again from his near-fatal wounds!
Where do they get the power to stand after taking so much damage...!? Perhaps it was their friendship power...
I don't understand... Kinnikuman, those guys below the ring...
Ooh! This feels good! This attack is allowing me to release all the sweat I have, Kinnikuman!
Here's my counter attack!
Kinnikuman's Romero Special which was destroyed earlier can't be broken by Akuma Shogun!

ボタ
ボタ
Heh heh... you're hoping my power will run out from sweating so much, but my sweat is infinite!
Let it all out, you little sweaty diamond!
Akuma Shogun has already seen through Kinnikuman's plan!
ボタ

Take this: Hell Nine-Point Final No. 4!

No, Shogun is going to skewer Kinnikuman's head! He wants to end the match quickly!
Hell Merry-Go-Round!
I've waited for this moment!
.....!?
...but not so that you'd exhaust your strength!
Akuma Shogun, the Romero I did earlier WAS to make you sweat...
Why is Kinnikuman standing!?

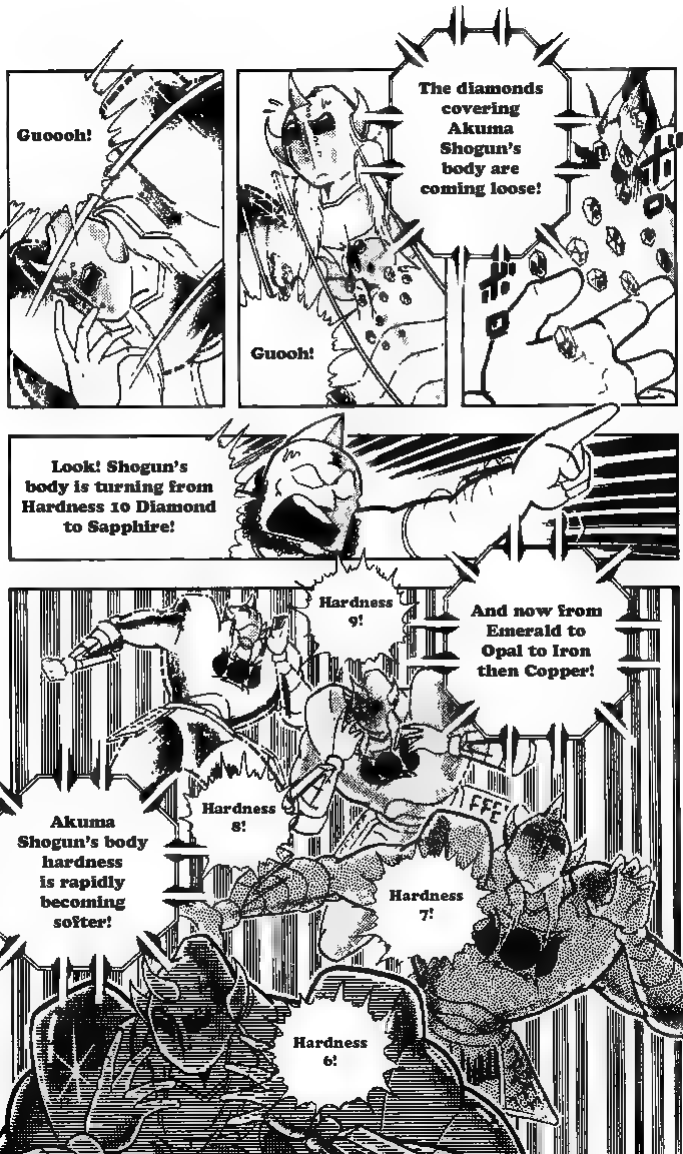
Eye for an eye, tooth for a tooth...
Aah!
It was to turn my mask to diamond with your sweat!
...AND A DIAMOND FOR A DIAMOND!

Golden Mask Arc 46

Menace! Nine-Point Seal!

A Team Kinniku Release

And next up...
His attack has changed Akuma Shogun's normally expressionless face again!
Geh!
Hehe...
Take this!
And he throws Akuma Shogun into the ring with a Blockbuster!
Guh...
Oh.

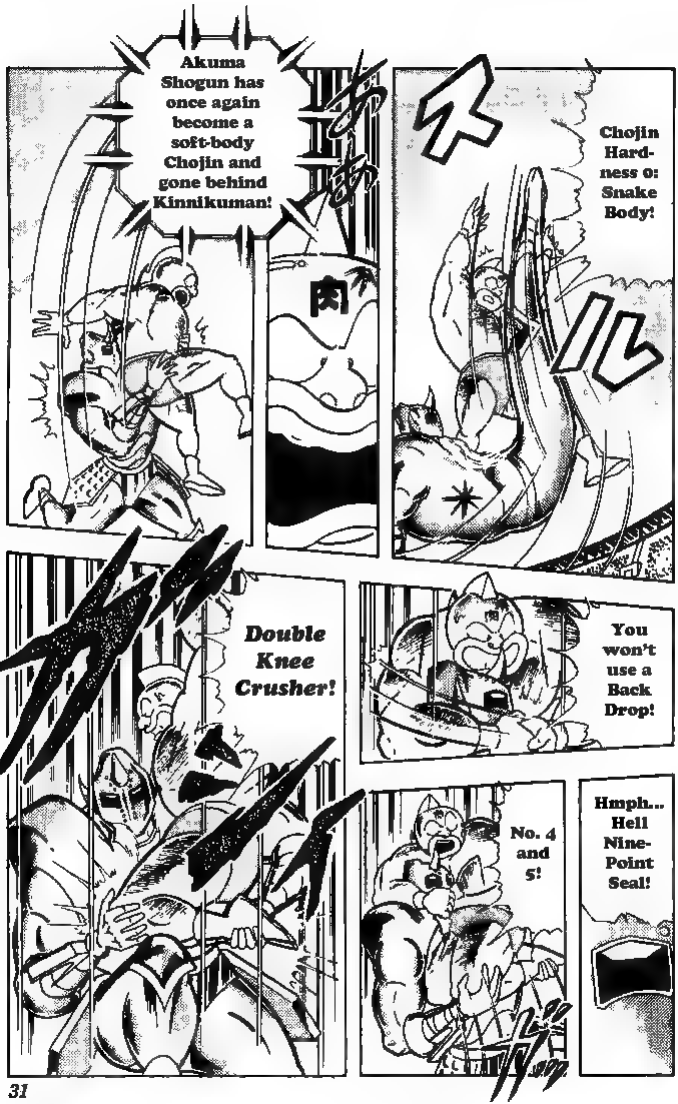


Guoooh!
Guooh!
The diamonds covering Akuma Shogun's body are coming loose!
Look! Shogun's body is turning from Hardness 10 Diamond to Sapphire!
Hardness 9!
And now from Emerald to Opal to Iron then Copper!
Hardness 8!
Akuma Shogun's body hardness is rapidly becoming softer!
Hardness 7!
Hardness 6!

Kinnikuman's Diamond Headbutt has broken Akuma Shogun's hardness adjustment ability!
It's destroyed!
Kinnikuman! This is your chance to use it!
He did it!
I did it so I wouldn't have to worry about his hard body!

The Kinniku Driver!
Of course! That was just what I was thinking!
Kinnikuman has grabbed Shogun's thighs!
Hiyah!
Hiyah!
Kinniku Driver!
Aaah!

Aah!
He's done it! That's a perfect Kinniku Driver!
Ooh!
Heh heh... Although my hardness adjustment ability was broken, that doesn't stop my soft-body power!
This will be the end of this Chojin war!

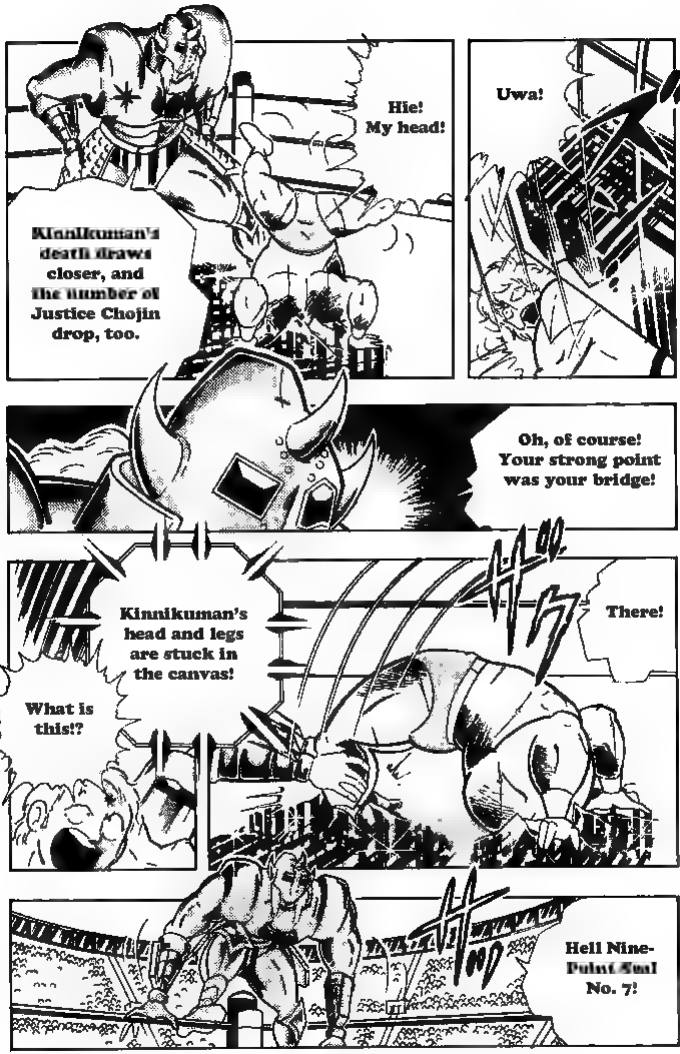


Akuma Shogun has once again become a soft-body Chojin and gone behind Kinnikuman!
Chojin Hardness 0: Snake Body!
Double Knee Crusher!
You won't use a Back Drop!
No. 4 and 5!
Hmph... Hell Nine-Point Seal!

Although your legs are injured, you should be thankful. If it weren't for those Chojin holding up the ring, your legs would have been shattered.
Uuh... I can't move my legs...
Gya!
I'm sorry, everyone... For using you all as a cushion...
...when this match ends, we'll all return to normal!
Kinnikuman, because we're doing this...
It's all give-and-take!
It would be a lot easier if you just betrayed them and let them drop the ring.
Hmph... Things like friendship and justice are getting tiresome.
Every-one...

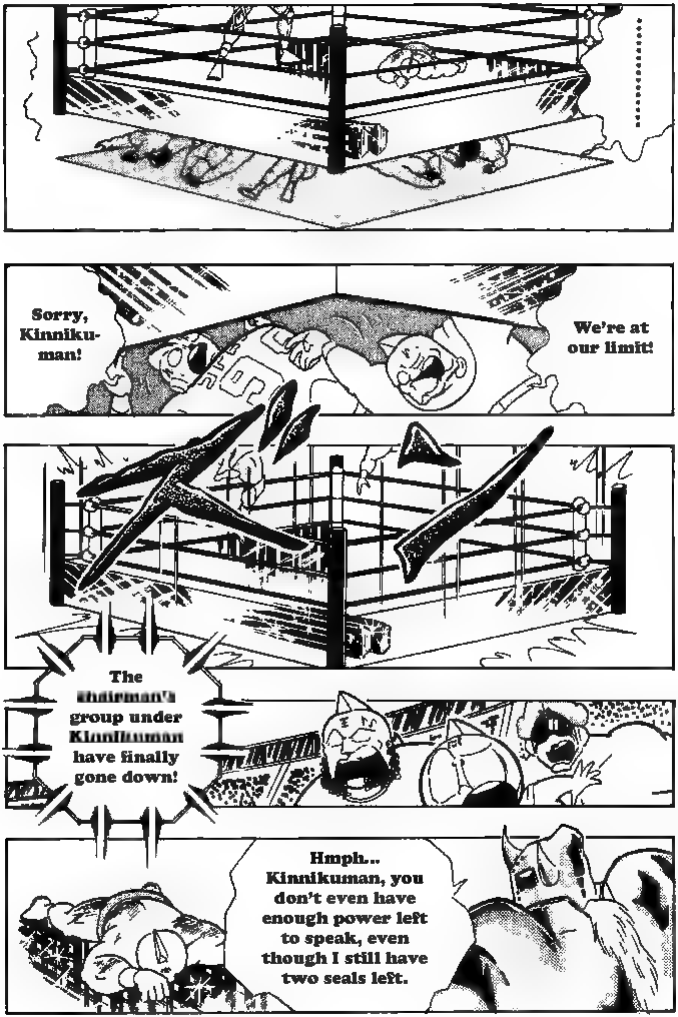
Do you really think evil will rule this world!?
You...
Hiyah! Diamond Headbutt!
It's Kinnikuman's Diamond Headbutt once again!
Yeah! That's Shogun's solar plexus!
Geh...
Geh!

Hahaha! Did you forget? There's nothing in my armor!
Owa!
Kinnikuman somehow slipped through Shogun's body!
Helmet Split!
Hell Nine-Point Seal No. 6!

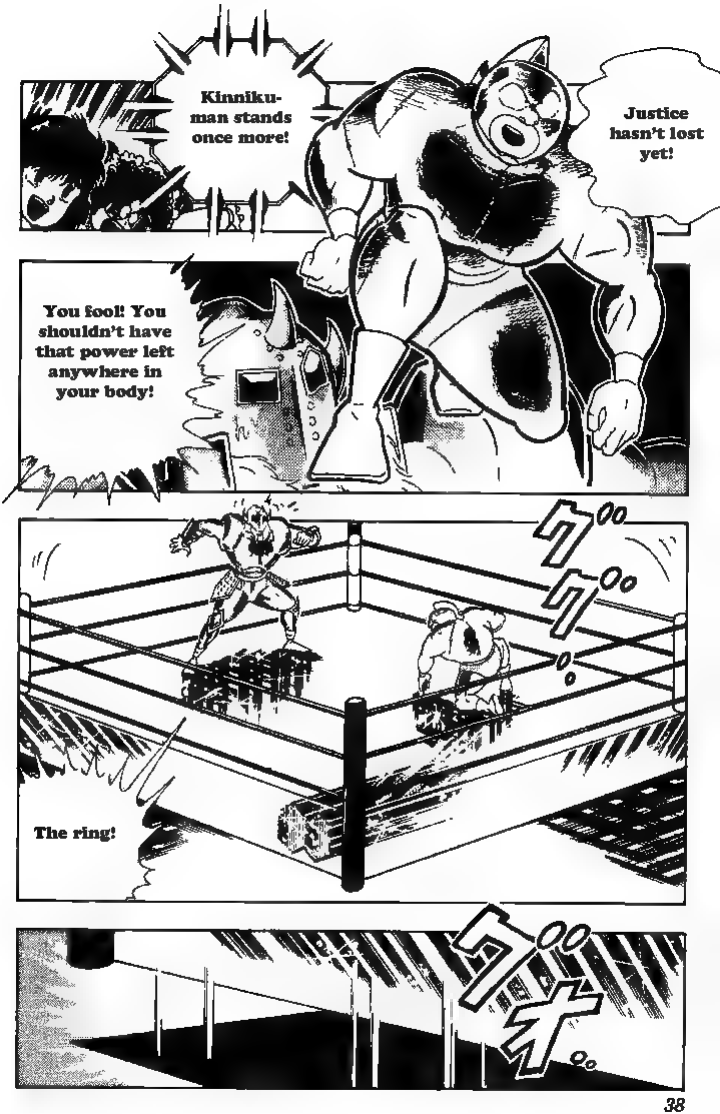


Hie! My head!
Kinnikuman's death draws closer, and the number of Justice Chojin drop, too.
Uwa!
Oh, of course! Your strong point was your bridge!
There!
Kinnikuman's head and legs are stuck in the canvas!
What is this!?
Hell Nine-Point Seal No. 7!

DIE!
Stomach Crush!
If he gets hit by that, that's the end of him and the Chairman's group!



Sorry, Kinnikuman!
We're at our limit!
The chairman's group under Kinnikuman have finally gone down!
Hmph... Kinnikuman, you don't even have enough power left to speak, even though I still have two seals left.



Kinnikuman stands once more!
Justice hasn't lost yet!
You fool! You shouldn't have that power left anywhere in your body!
The ring!

That's something only justice can do!
To call upon a power that defies logic!
The Justice Chojin have completely revived!
Ridiculous... the power of justice is this strong!
The Gold Mask's reasoning is starting to reject Akuma Shogun's armor!

You fool! This Justice Power is greater than I thought!
It's hot! My body is burning!
How... how can I feel heat without a body!?
Under his normally hollow armor is...
The evil armor that forms Akuma Shogun's body is starting to crumble!

Golden Mask Arc 47

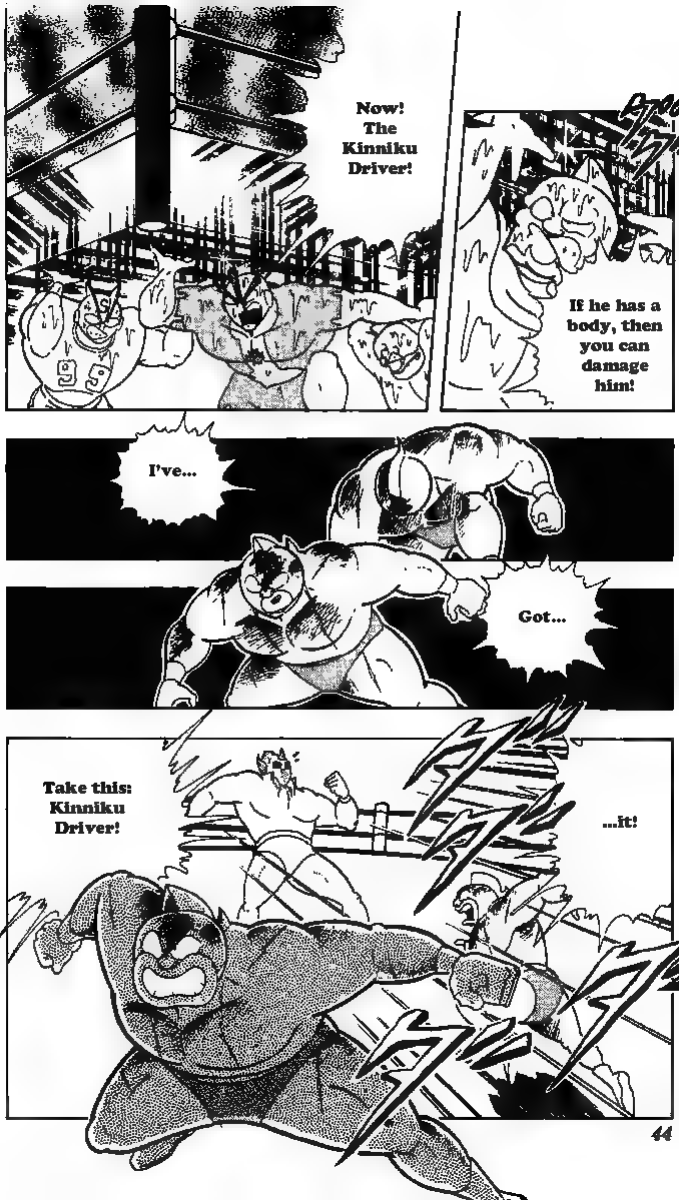
The Final Hell!

A Team Kinnikn Release

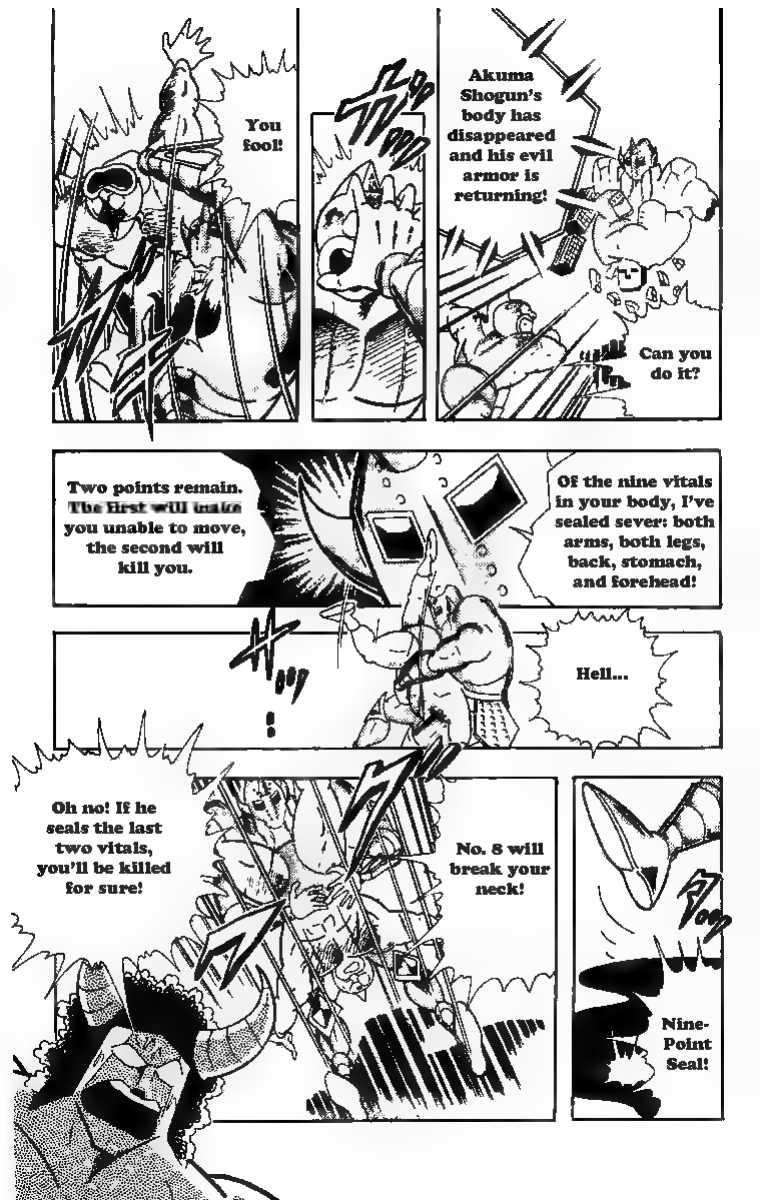
Uwa! Get over here!
Prince!
Eh!
Don't run, Kinnikuman!
My body...

Of course. The Hell Nine-Point Seal has already sealed off seven points. It's only natural that you're losing your ability to move.
Is this because of the Nine-Point Seal!?
My body won't do what I tell it...
No! Shogun still sees that he has a chance!
His body vanished!
In the end, justice can't win against evil! Hahaha!

What's going on!?
Their armor fused with all of the anger and hatred in the heart of a Justice Chojin, making it strong enough to withstand anything.
As you know, Akuma Shogun's body is formed from the Six Devil Knights working together.
But when the Justice Chojin abandons their anger and hatred...
Right, I get it! No matter how much damage he does, Friendship Power will always stand up to him! Seeing Kinnikuman and the Chairman's group is making him question if evil power is really absolute!
Then Akuma Shogun's symbolic mask and armor break off and Geldman is revived along with his original body!

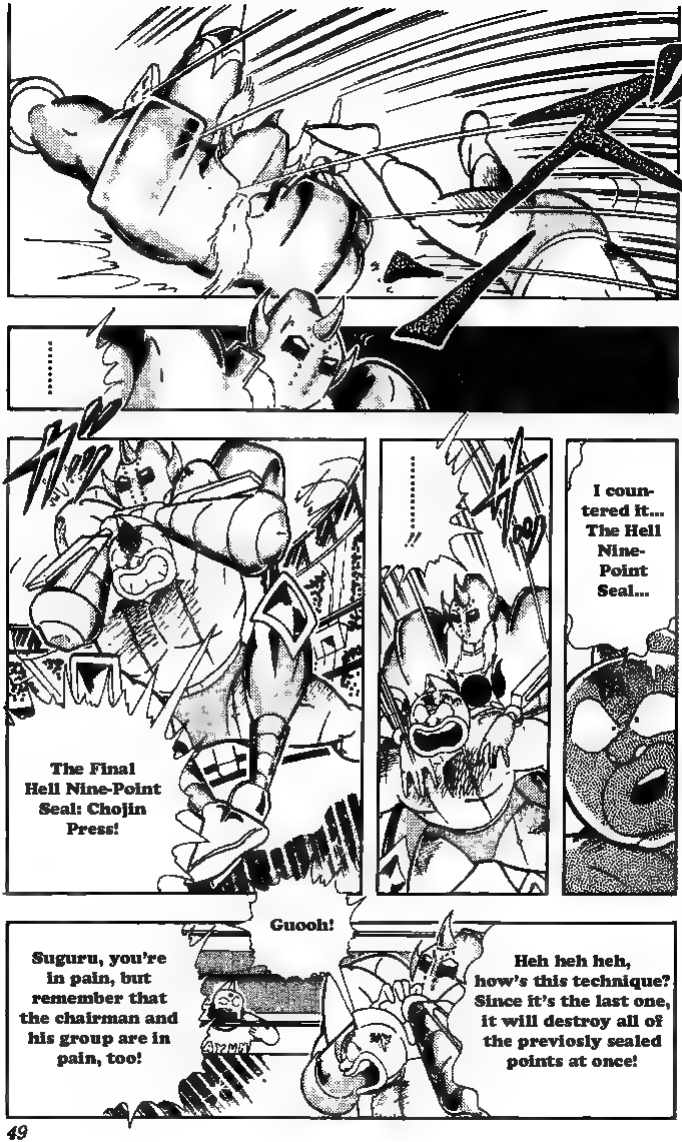


Now! The Kinniku Driver!
If he has a body, then you can damage him!
I've...
Got...
Take this: Kinniku Driver!
...it!



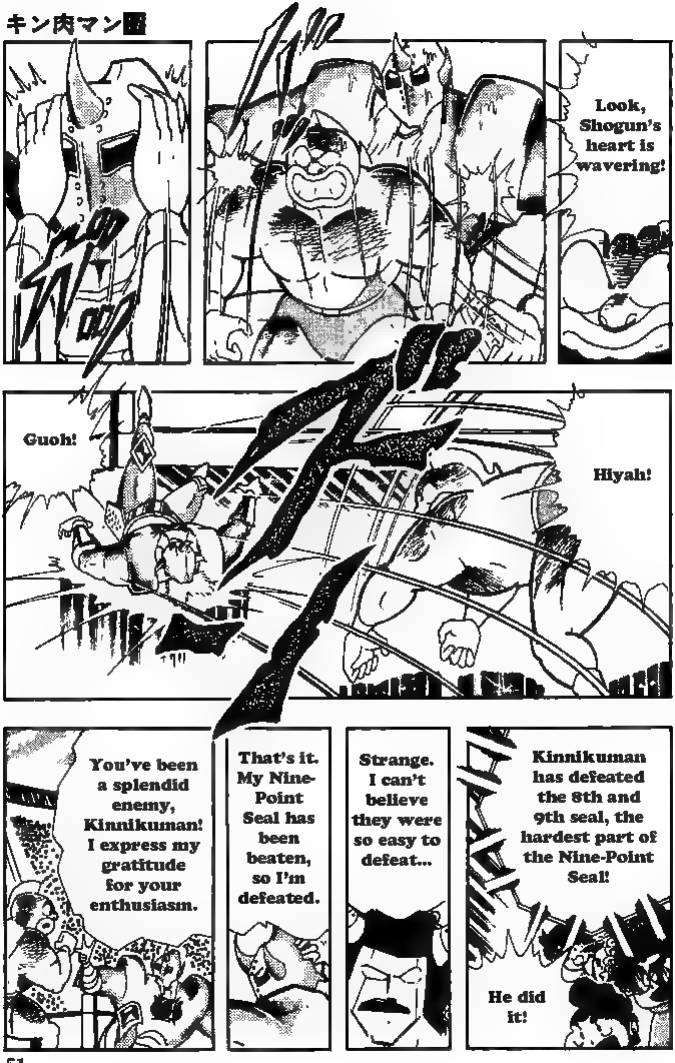
You fool!
Akuma Shogun's body has disappeared and his evil armor is returning!
Can you do it?
Two points remain. The first will make you unable to move, the second will kill you.
Of the nine vitals in your body, I've sealed sever: both arms, both legs, back, stomach, and forehead!
Hell...
Oh no! If he seals the last two vitals, you'll be killed for sure!
No. 8 will break your neck!
Nine-Point Seal!

Ooh!
Burning Inner Strength!
Geh!
Kinnikuman has turned over Shogun's Pile Driver!
Hiyah!
Kinnikuman is returning it was the Mexican Killer Technique: Corbata!

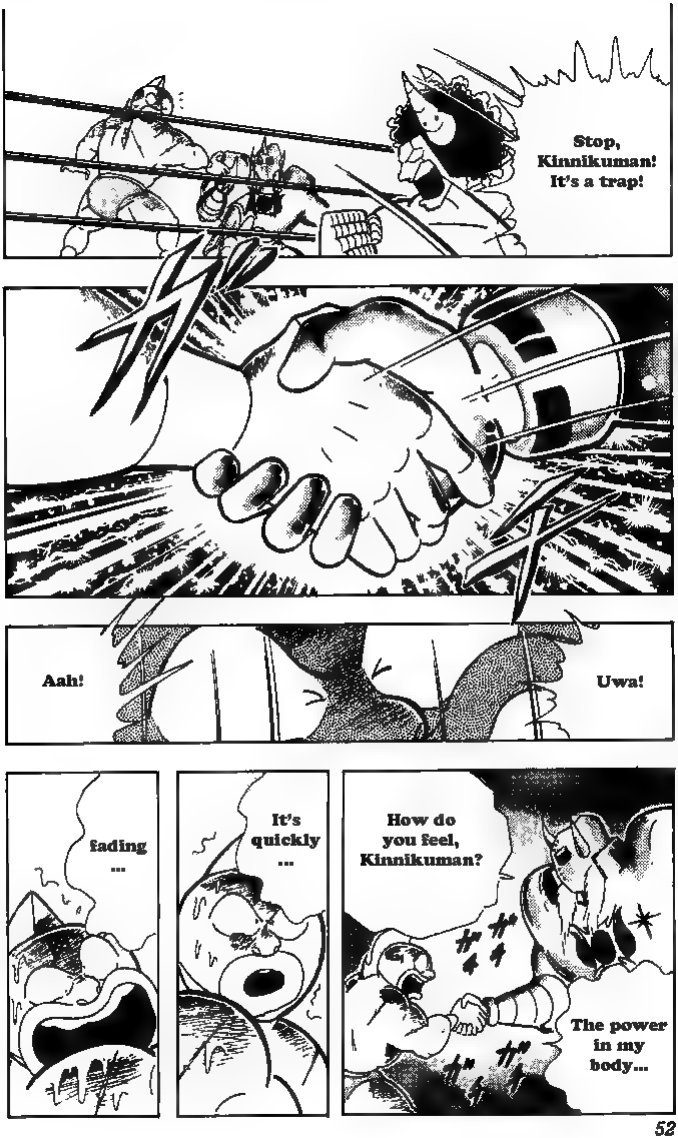


.....
The Final Hell Nine-Point Seal: Chojin Press!
.....
I countered it... The Hell Nine-Point Seal...
Guooh!
Suguru, you're in pain, but remember that the chairman and his group are in pain, too!
Heh heh heh, how's this technique? Since it's the last one, it will destroy all of the previously sealed points at once!

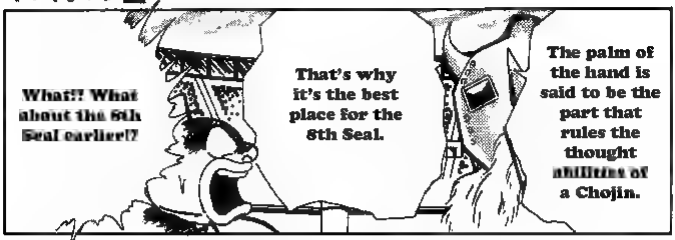
Isn't it great, everyone? We're feeling the same pain as Kinnikuman!
Of course! We're fighting, too! Along with Kinnikuman!
SPECIAL
Why!? Why won't he give up!? My power is already at the limit...
The chairman's group and I are in pain, but this pain will defeat Akuma Shogun with our Justice Power!
Guuh...



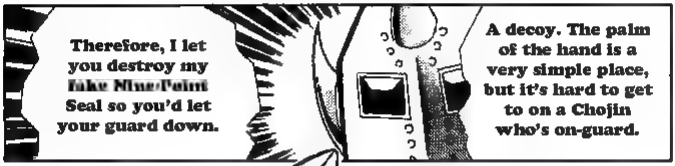
Look, Shogun's heart is wavering!
Guoh!
Hiyah!
You've been a splendid enemy, Kinnikuman! I express my gratitude for your enthusiasm.
That's it. My Nine-Point Seal has been beaten, so I'm defeated.
Strange. I can't believe they were so easy to defeat...
Kinnikuman has defeated the 8th and 9th seal, the hardest part of the Nine-Point Seal!
He did it!



Stop, Kinnikuman! It's a trap!
Aah!
Uwa!
fading ...
It's quickly ...
How do you feel, Kinnikuman?
The power in my body...

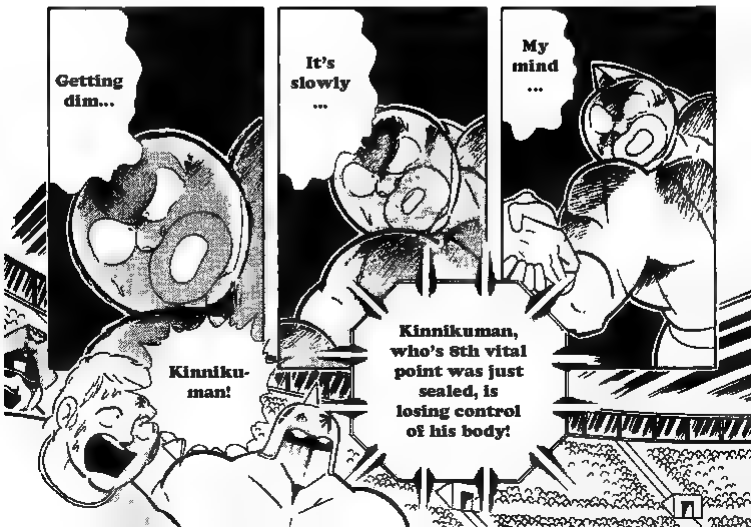


What!? What about the 6th Seal earlier!?
That's why it's the best place for the 8th Seal.
The palm of the hand is said to be the part that rules the thought abilities of a Chojin.

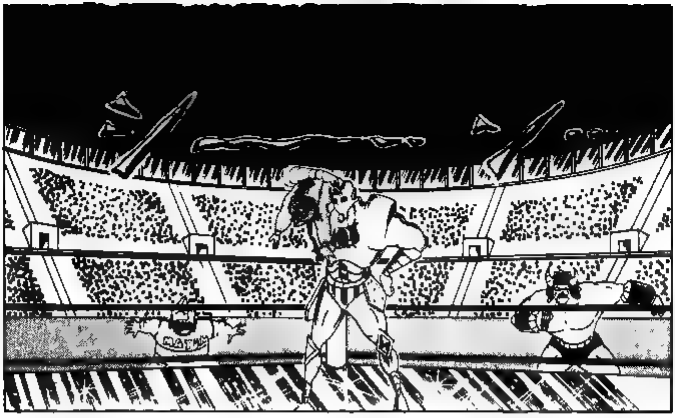


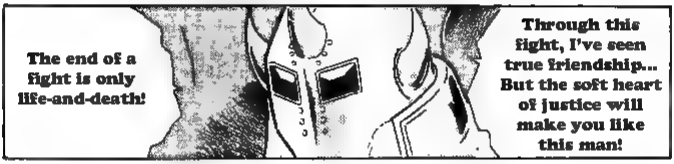
Therefore, I let you destroy my fake Nine-Point Seal so you'd let your guard down.
A decoy. The palm of the hand is a very simple place, but it's hard to get to on a Chojin who's on-guard.

Aah!

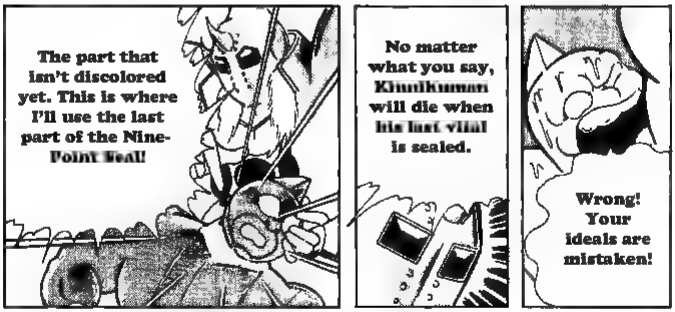


Getting dim...
It's slowly ...
My mind ...
Kinnikuman!
Kinnikuman, who's 8th vital point was just sealed, is losing control of his body!

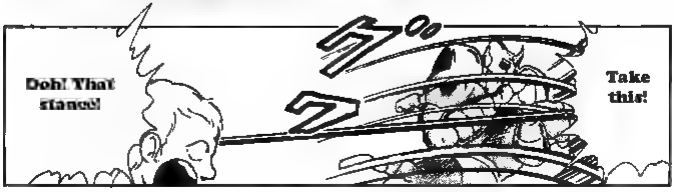




The end of a fight is only life-and-death!
Through this fight, I've seen true friendship... But the soft heart of justice will make you like this man!



The part that isn't discolored yet. This is where I'll use the last part of the Nine-Point Seal!
No matter what you say, Kinnikuman will die when his last vital is sealed.
Wrong! Your ideals are mistaken!



Doh! That stance!
Take this!

Hiyah!
Hell Guillotine!

Is this for real!?
The Devils are going to defeat justice!?
This is the end of the Chojin war!
Akuma Shogun is performing the Hell Guillotine, the final Nine-Point Seal!

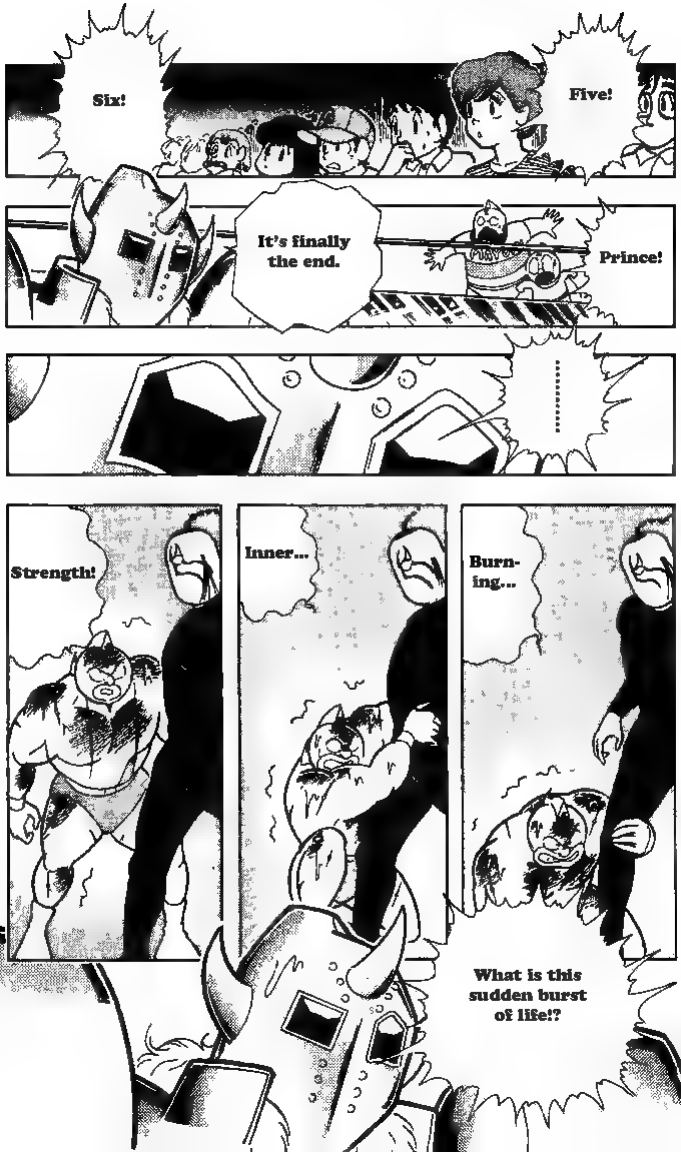
Golden Mask Arc 48

End of the Chojin War!?

A Team Kinniku Release

What!?
It's a miracle! Kinnikuman has grabbed the ropes of the ring to reduce the damage of the Hell Guillotine!
Yet he stopped it!
My Hell Guillotine is invincible! It doesn't fail!
That Suguru! He's great at escaping from near-death injury!
It can't be. His motor skills and thought process should have been weakened by the 8th seal!

That's the face of someone who's had all of their vitals sealed...
Him catching the ropes was just luck.
Heh heh heh... My 8th seal perfectly finished off Kinnikuman, afterall.
No... It can't be...
Uwa-haha-haha!
An accurate judgement.
He must have already been dead when I used the 8th seal. The Hell Guillotine woke up his senses for a moment!
One! Two!



Six!
Five!
It's finally the end.
Prince!
.....
Strength!
Inner...
Burn-ing...
What is this sudden burst of life!?

WHY!?
WHY DID YOU STAND!?
Sorry.
IT SHOULD HAVE ENDED WITH THE 8TH SEAL!
I'm not out yet.

That's Justice Power!
It's a power that devils can't even begin to imagine...
Why!? Both your mind and body are supposed to be damaged! How are you still alive!?
SHUT UP! I'll start by silencing you!
The Justice Chojin holding the ring have finally ran out of power and are stuck under the ring!
Uwa!
There... That's the end of all of my problems!

Geh... Is he going to get back up!?
.....
Alright, I'll use my Shogun Clairvoyance to find out the source of this power!
Okay Kinnikuman, hold onto my shoulder!
Wolfman!
.....
!!
Wo... Wolfman should be dead!

Uwa!
The Justice Chojin holding up the ring have revived!
……!?
And that's the dead Geronimo!
Hey guys, I think that you let me help, too!
Tell me, do you even care when your commrades are fatally wounded, or do you only care about the survivors that you can abuse?
Do you see? People like you who only know anger and hatred can't even begin to imagine something like this!

We Justice Chojin are different! Along with the living Chojin, we're still connected to those who have passed on, like Geronimo and Wolfman! Although their bodies are destroyed, friendship is immortal!
Justice Power... it's too strong! I can't take it anymore!
That means Gold Mask's body is reviving!
The Gold Mask is starting to awaken to justice, and it's rejecting the evil armor again!

The Gold Mask's justice body is starting to come back under the hollow armor!
Uwa! It's hot! My body is burning!
Now's your chance, Kinnikuman! !!! Akuma Shogun... No, the Gold Mask's real body with the Kinniku Driver!
My knights! Do something! At this rate, I'll be hit with the Kinniku Driver!
No, they're helping him!
Break his body!

Got it!
Hurry, Kinnikuman!
Geh...

Gyahahaha! It looks like Evil Power is greater than Justice, afterall!
He... tore apart his own body. He really is a devil..
It's over. Without a body, I can't use any techniques!
I'm certain his power is 10 million, which is the same as mine!
No, there's still one way. If something has no substance, then you just have to give it some!
Haha!
Now, my Six Knights! Become my limbs again!

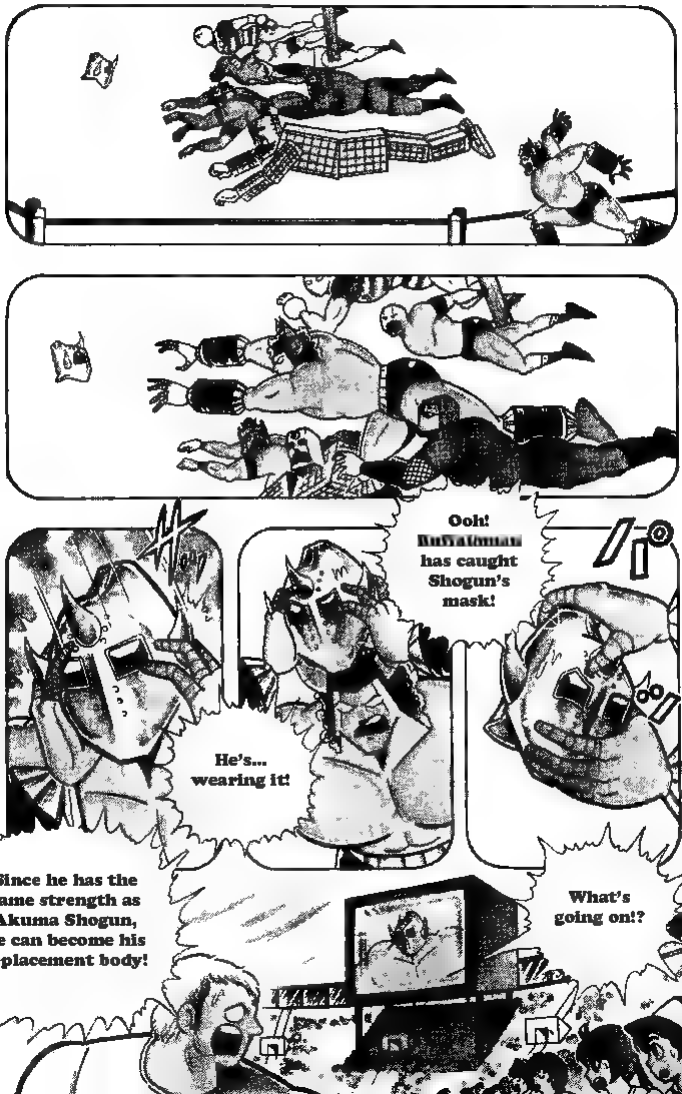
Buffalo-man!
I'll become Akuma Shogun's body!
What are you doing, Buffaloman!?
Buffaloman has suddenly jumped into the ring and put on the mask of the bodyless Akuma Shogun!
ガバ
Now I'm Akuma Shogun in mind and body!

Uwa!
I won't run!
Return to his body, everyone!
Kinnikuman, use your Kinniku Driver!
Buffaloman!

Golden Mask Arc 49

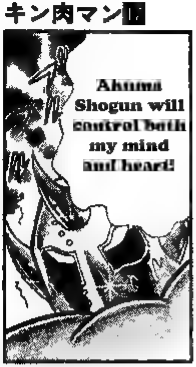
The Other Death Struggle!

A Team Kinniku Release



Ooh! Buffalman has caught Shogun's mask!
He's... wearing it!
Since he has the same strength as Akuma Shogun, he can become his replacement body!
What's going on!?

Buffalo-man... A man like you...
Kinnikuman, here's your chance! Use the KinniKu Driver now!
I can't! Buffaloman, it'll hurt you, too!
Slowly, Shogun's mask is taking control of my body...
Look at it!
Don't think of this as Buffalo-man's body.
No matter how much it changes, it's still your body!
This body already belongs to Akuma Shogun!



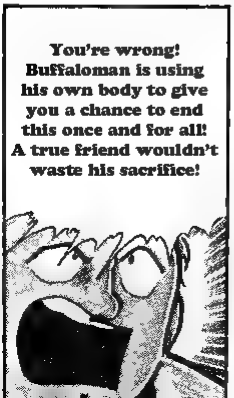
Akuma Shogun will control both my mind and heart!

If not...

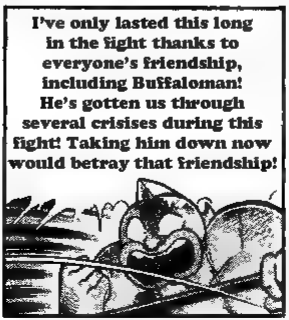
Please Kinnikuman, I don't have much time. Use the Kinniku Driver fast!

Eeh?

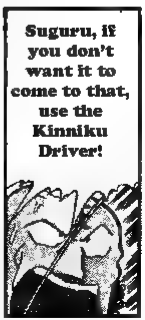
Then you'll have to take Buffaloman's attacks, Kinnikuman!
This is bad! If Buffaloman's soul is taken over, then Akuma Shogun will completely control Buffaloman!



You're wrong! Buffaloman is using his own body to give you a chance to end this once and for all! A true friend wouldn't waste his sacrifice!



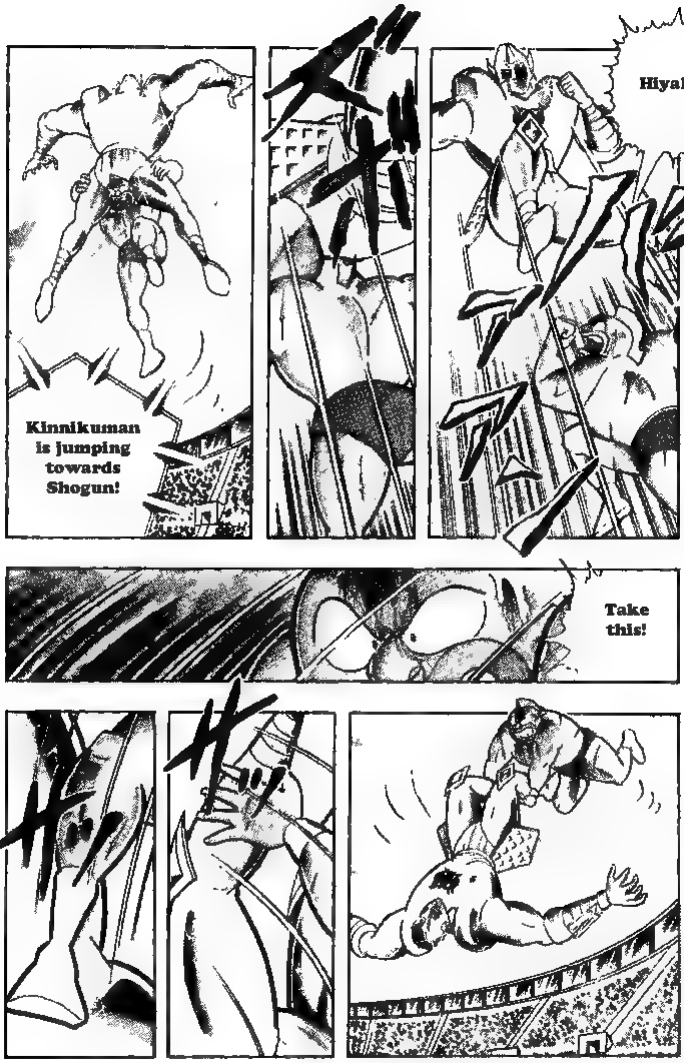
I've only lasted this long in the fight thanks to everyone's friendship, including Buffaloman! He's gotten us through several crisises during this fight! Taking him down now would betray that friendship!



Suguru, if you don't want it to come to that, use the Kinniku Driver!

Ugh!
Prince, look at how tormented Buffaloman looks!
Buffalo-man!
The afterlife is painful, so use the Kinniku Driver! I don't want to kill you!
KA KAKAKA! Kinnikuman won't attack Buffaloman!
In that case, let's just take over Buffaloman's body quickly, comrades.
Aah!
Uwa!
Ooh!

He's aiming for Kinnikuman!
Die!
Guwahahaha!
Buffaloman has finally been taken over by the devils!
Watch out!
Forgive me, Buffaloman...
What will you do, Kinnikuman!?

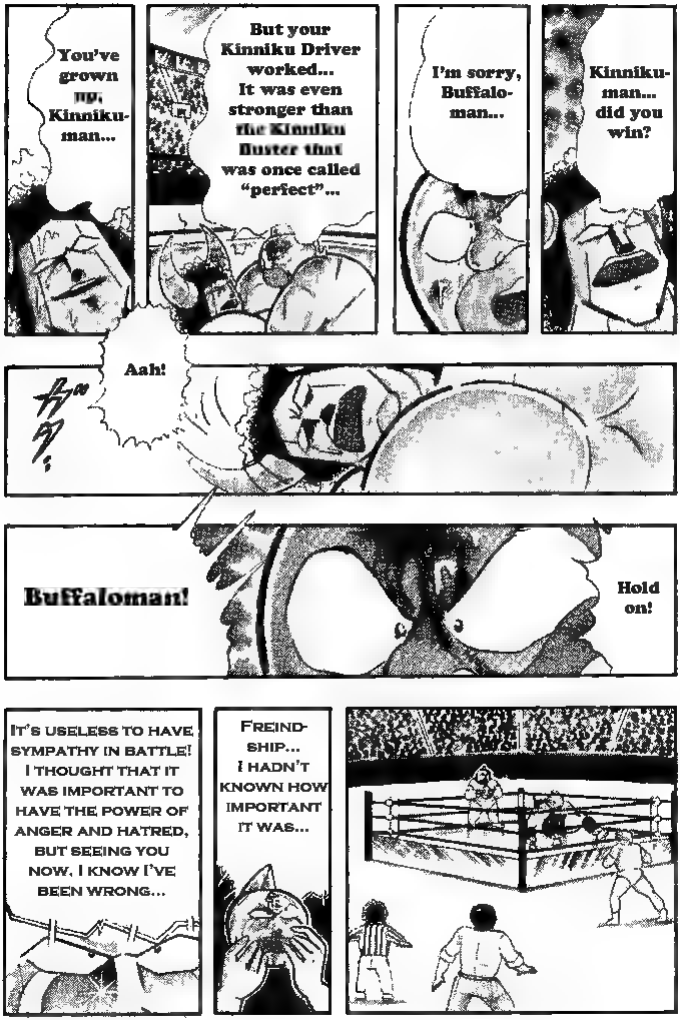


Kinnikuman is jumping towards Shogun!
Hiyah!
Take this!

KINNIKU DRIVER!
Uooh!
Ooh!
I can't move!
There it is!

.....
Kinnikuman!
The war between the Justice and Evil Chojin has finally ended! Kinnikuman and the Justice Chojin have earned victory!

Great...
Ooh, you're right!
Suguru, as the winner, hurry up and take the real Gold Mask!
Hey!
Do whatever you want with this.
MAYUMI
Buffalo-man!



You've grown up, Kinnikuman...
But your Kinniku Driver worked... It was even stronger than the Kinniku Buster that was once called "perfect"...
I'm sorry, Buffaloman...
Kinnikuman... did you win?
Aah!
Buffaloman!
Hold on!
IT'S USELESS TO HAVE SYMPATHY IN BATTLE! I THOUGHT THAT IT WAS IMPORTANT TO HAVE THE POWER OF ANGER AND HATRED, BUT SEEING YOU NOW, I KNOW I'VE BEEN WRONG...
FREINDSHIP... I HADN'T KNOWN HOW IMPORTANT IT WAS...

My defeat this time was because I tried to steal the power of the Justice Chojin, which did nothing but double Kinnikuman's friendship power...
What's really important in a fight is a loving spirit for someone else. Kinnikuman, you use a power greater than yourself thanks to these people. As soon as I felt your friendship power, I could feel my own defeat...
Prince!
Hey, are you still insulting our friendship!?
I want to be destroyed by your hand!
Destroy me!
How could I do that?
Big Brother Goldman, your death won't settle anything, but you can still make it up to the Justice Chojin!
Little Brother Silverman, I can't continue living after what I did for the sake of a stupid quarrel.
Wait, Kinnikuman!
Oh, Silver Mask!

The two masks are joining together!
Oh!
If we combine our power, it's possible.
Alright.
Revive! Immortal Power!
The War Mask and the Peace Mask have combined into the Perfect Mask!

Huh? I'm fine!
Uwa! The life-support bubble is fading!
Kinnikuman wou!
It's true! I don't feel any pain without it!
Amazing.
We're saved!
He did it!
Our sacrificed lives have been returned!

We've been saved...
Ugh...
My injuries are being healed!
What is this refreshing light?
Really?
Buffalomen has been revived, too!

...but nobody can ever divide these two masks again!
Gold Mask and Silver Mask. Dividing them will bring about the end...

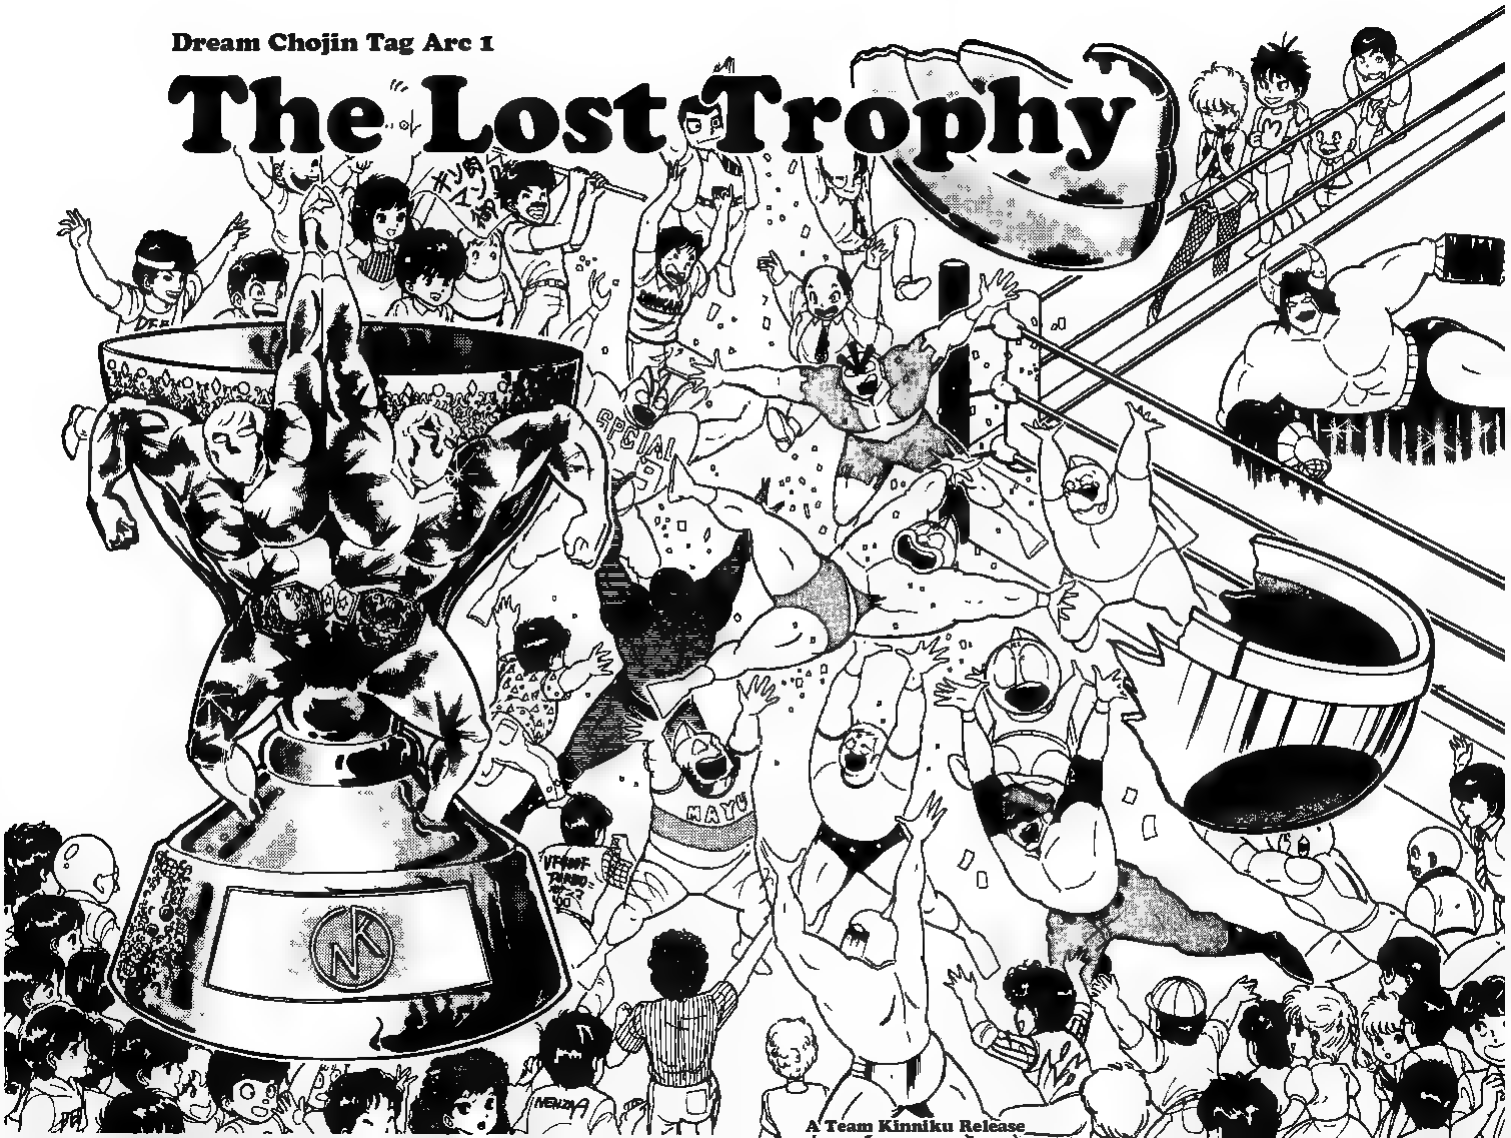
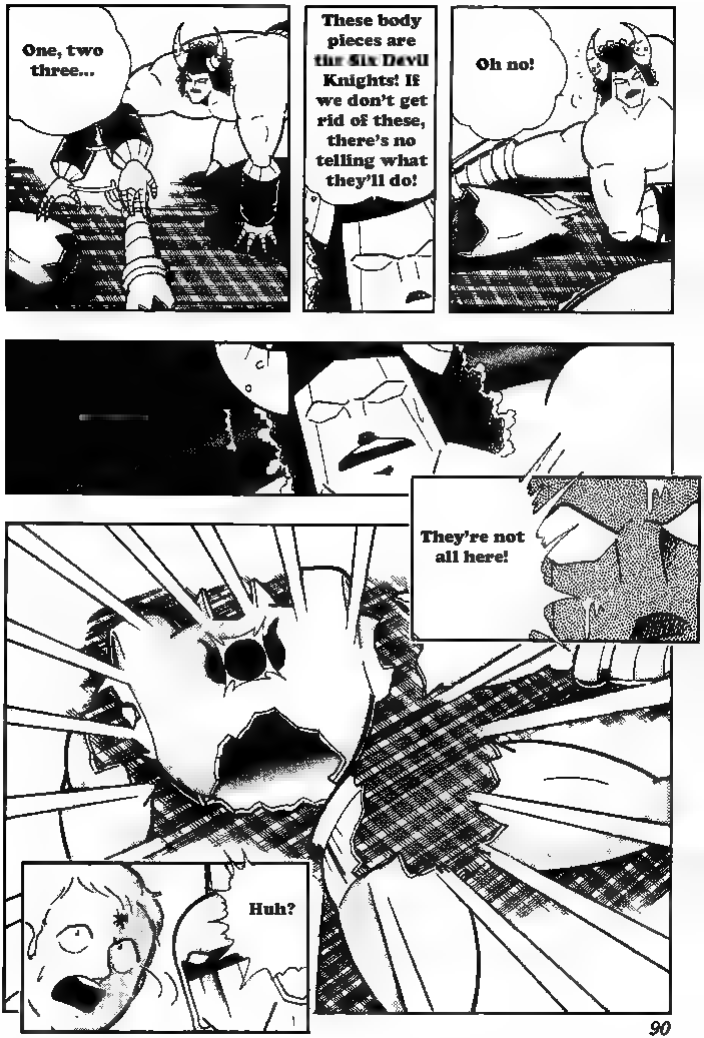
Dream Chojin Tag Arc 1

The Lost Trophy

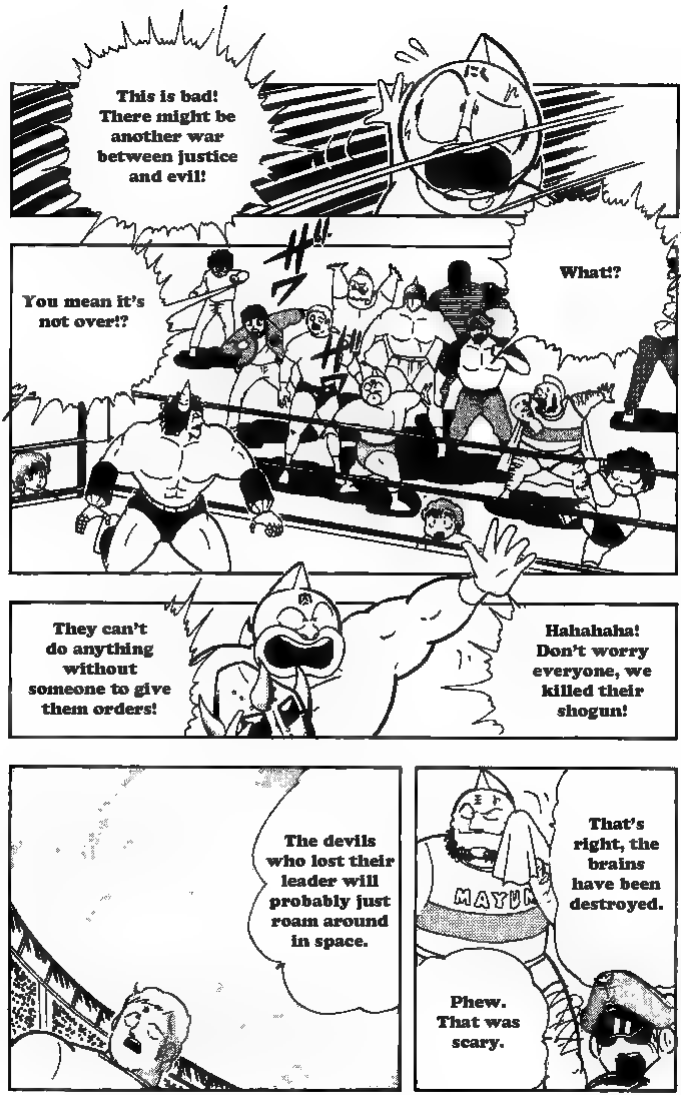


A Team Kinniku Release

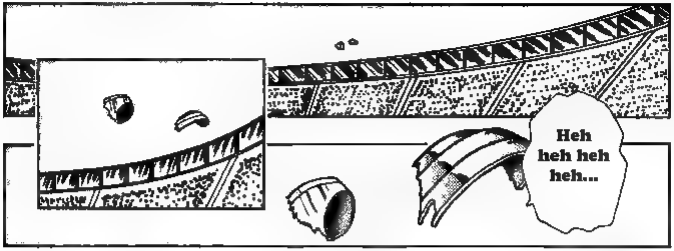


One, two three...
These body pieces are the Six Devil Knights! If we don't get rid of these, there's no telling what they'll do!
Oh no!
They're not all here!
Huh?

There should be six pieces of armor...
Hey Buffaloman, what's with all the noise?
What!?
That means...
We're missing the hip and lower chest pieces!
It's true! Two of the Devil Knights are missing!
Look!
Hey!



This is bad! There might be another war between justice and evil!
You mean it's not over!?
What!?
They can't do anything without someone to give them orders!
Hahahaha! Don't worry everyone, we killed their shogun!
The devils who lost their leader will probably just roam around in space.
MAYUN
That's right, the brains have been destroyed.
Phew. That was scary.

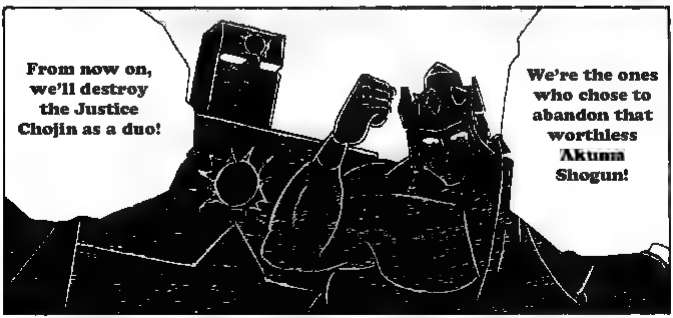


Heh heh heh heh...

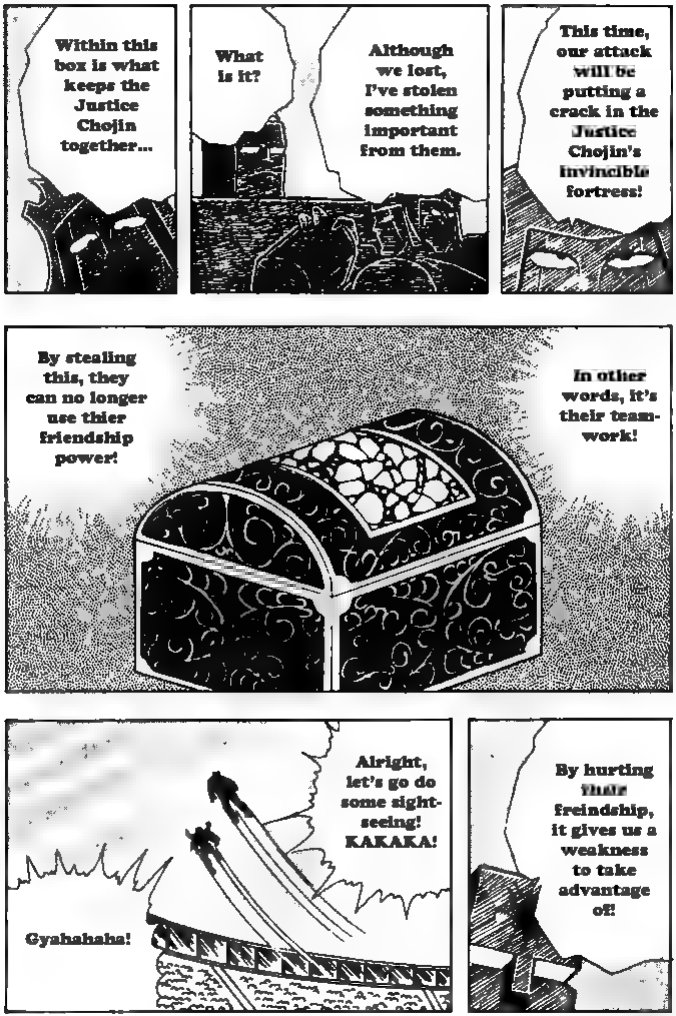
ゴゴゴ

This is no time to laugh!
ゴゴゴ
ゴゴゴ

We just lost our leader...
ゴ…
ゴ…

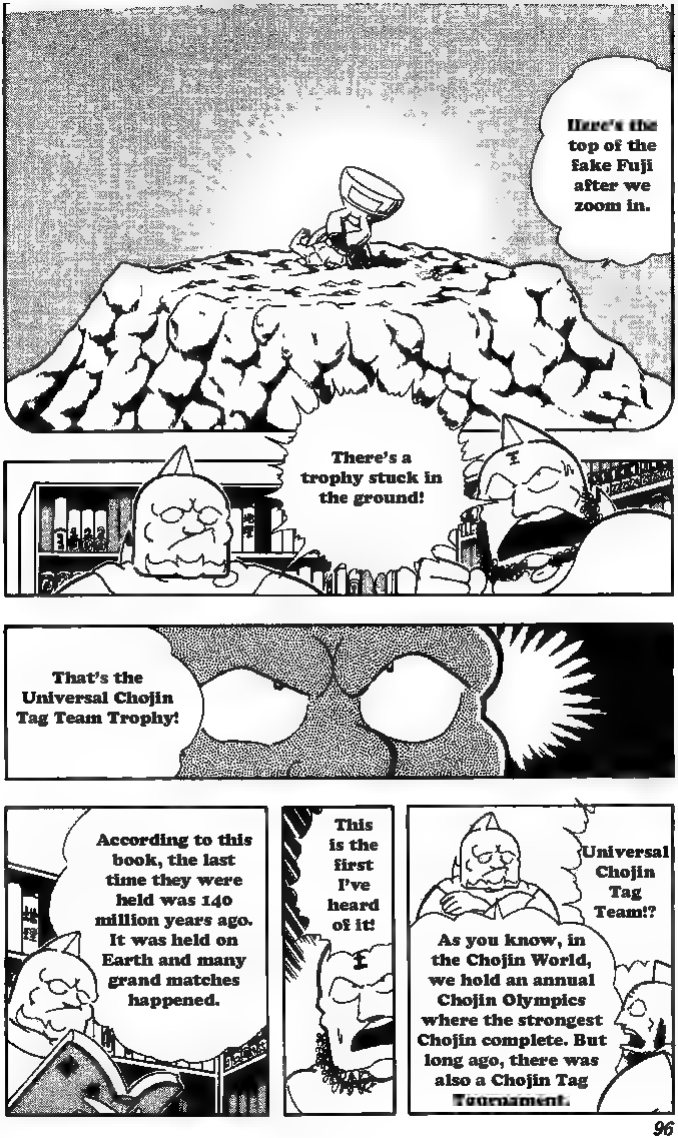


From now on, we'll destroy the Justice Chojin as a duo!
We're the ones who chose to abandon that worthless Akuma Shogun!



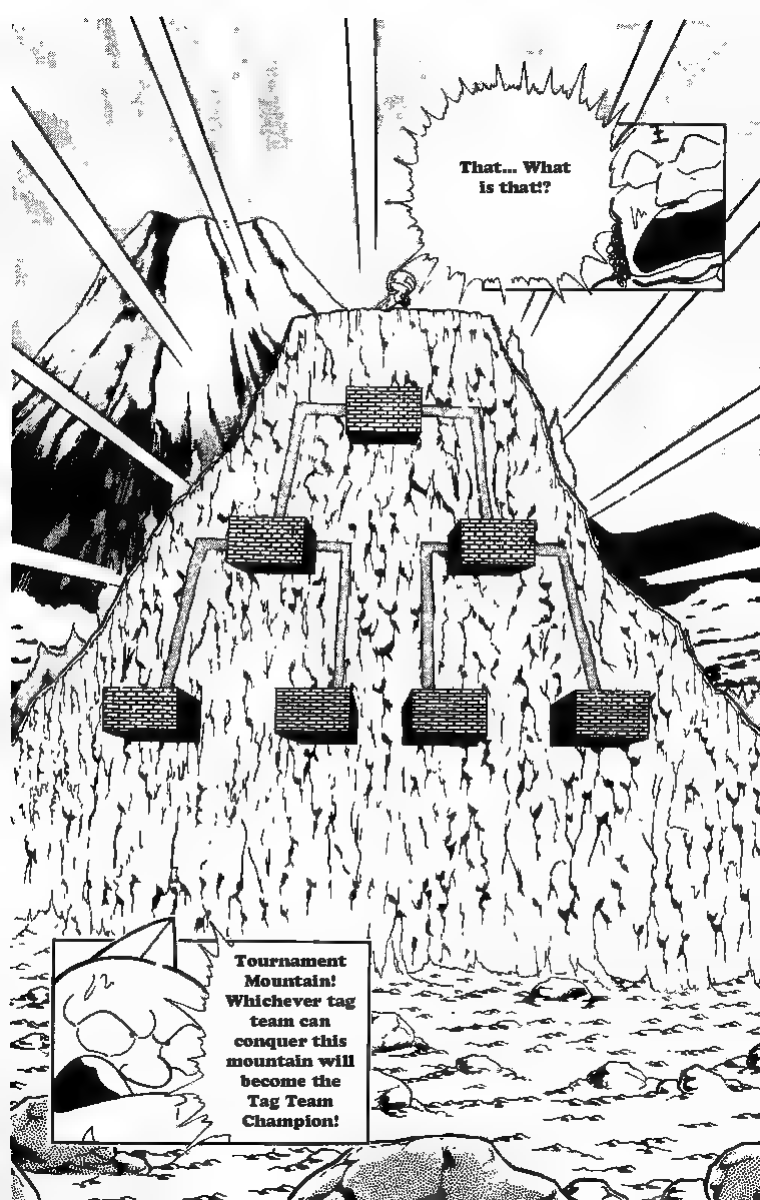
Within this box is what keeps the Justice Chojin together...
What is it?
Although we lost, I've stolen something important from them.
This time, our attack will be putting a crack in the Justice Chojin's invincible fortress!
By stealing this, they can no longer use thier friendship power!
In other words, it's their teamwork!
Alright, let's go do some sightseeing! KAKAKA!
Gyahahaha!
By hurting their freindship, it gives us a weakness to take advantage of!

UNIVERSAL CHOJIN OLYMPIC COMMITTEE
What's wrong, Mayumi?
Hm...
This can't be a natural occurance. If we look up the fake Fuji in the Chojin Fighting World History book, it should explain this.
Another Mt. Fuji has appeared next to the real one!
I need to keep an eye on the fake Fuji.
Look it up quickly!

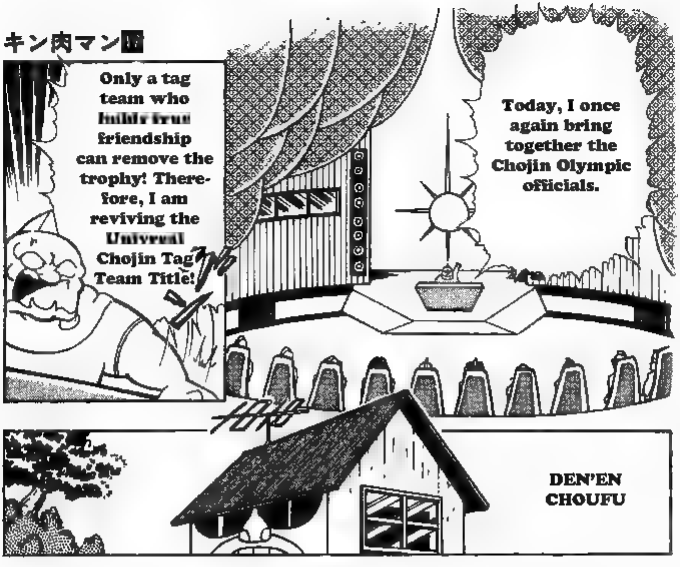


Here's the top of the fake Fuji after we zoom in.
There's a trophy stuck in the ground!
That's the Universal Chojin Tag Team Trophy!
According to this book, the last time they were held was 140 million years ago. It was held on Earth and many grand matches happened.
This is the first I've heard of it!
Universal Chojin Tag Team!?
As you know, in the Chojin World, we hold an annual Chojin Olympics where the strongest Chojin complete. But long ago, there was also a Chojin Tag Tournament.

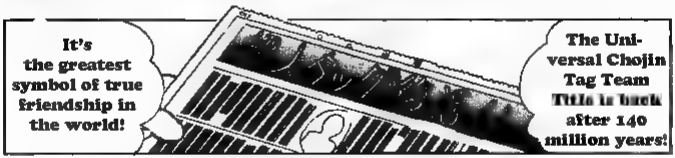
They're said to be near the base of Mt. Fuji.
The battle grounds sunk below the earth...
However, in the middle of the tournament finals, a natural disaster suddenly happened on Earth!
All of them failed.
Many powerful Chojin had tried to pull the trophy from the earth...
Thus, the trophy was preserved until another natural disaster occured 140 million years later...



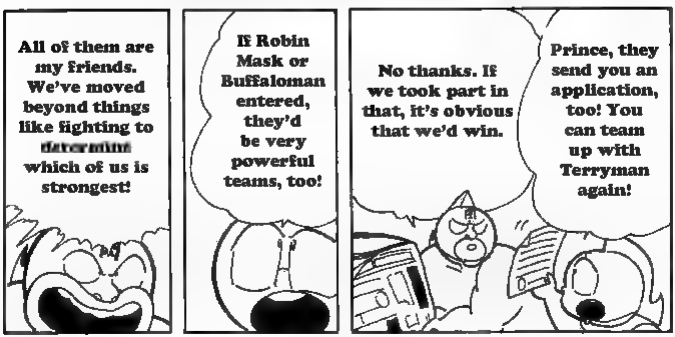
That... What is that!?
Tournament Mountain! Whichever tag team can conquer this mountain will become the Tag Team Champion!



Only a tag team who [illegible] friendship can remove the trophy! Therefore, I am reviving the Universal Chojin Tag Team Title!
Today, I once again bring together the Chojin Olympic officials.
DEN'EN CHOUFU



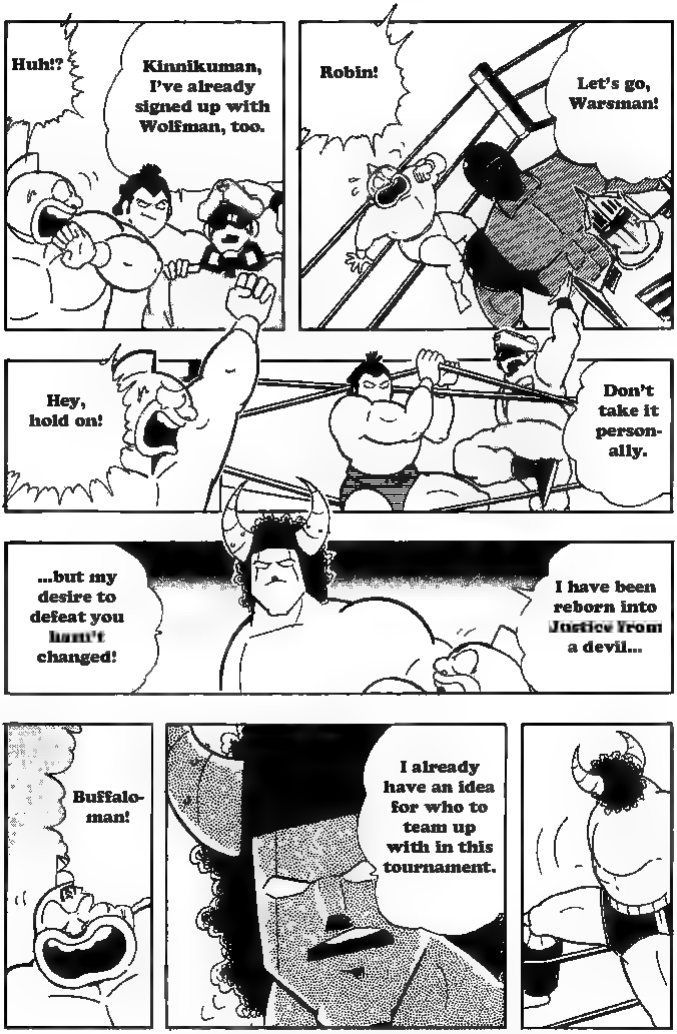
It's the greatest symbol of true friendship in the world!
The Universal Chojin Tag Team Title is back after 140 million years!



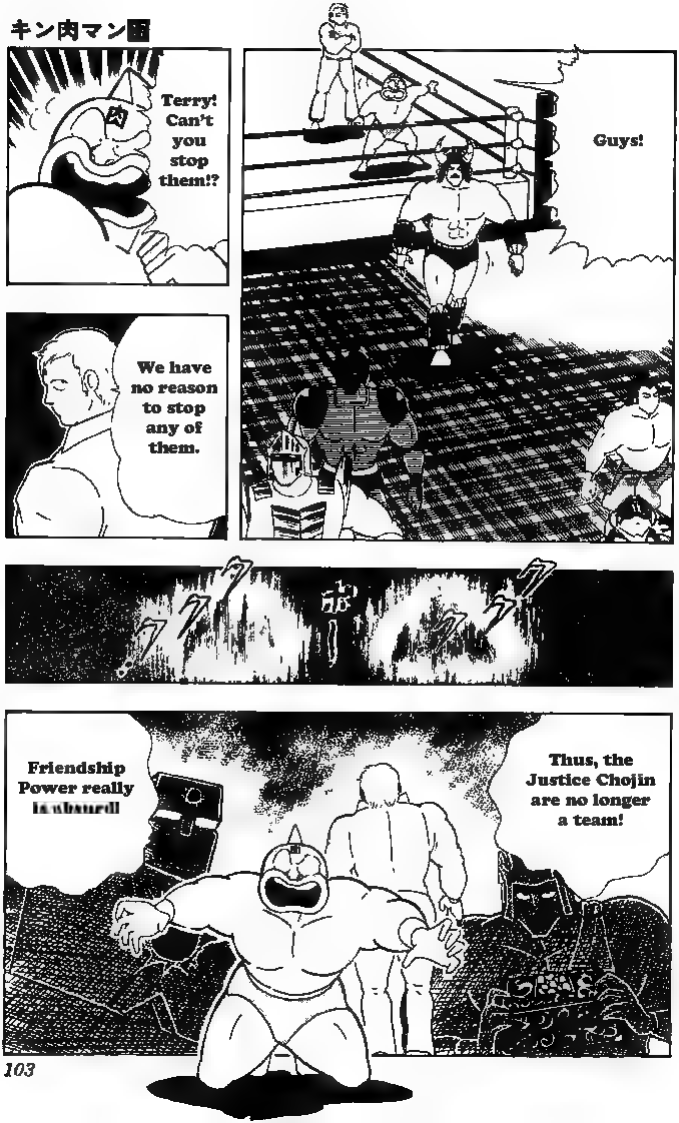
All of them are my friends. We've moved beyond things like fighting to [illegible] which of us is strongest!
If Robin Mask or Buffaloman entered, they'd be very powerful teams, too!
No thanks. If we took part in that, it's obvious that we'd win.
Prince, they send you an application, too! You can team up with Terryman again!

Oh! What are you all doing here?
ENTER
Who's there?
Please come with us.
Kinnikuman, we need to talk.
KOURAKUEN HALL

All of you are taking part in the Tag Tournament!?
All of us should be burning to defeat Kinnikuman, but that notion has completely faded away!
Isn't that a good thing, since we're all allies?
We've been talking after our fight with the Devil Chojin... and we're not sure that's it's a good thing to be so set on friendship all the time...
That's what we all decided when talking about the Tag Tournament.
That's not good. If we lose our drive, we'll become weak.
It's too late. Warsman and I have already signed up as the Chojin Teacher-Student Combo.
Hold on! Can't you rethink it!?
This tournament will let us get fired up to take down Kinnikuman again! This is a rare opprotunity!



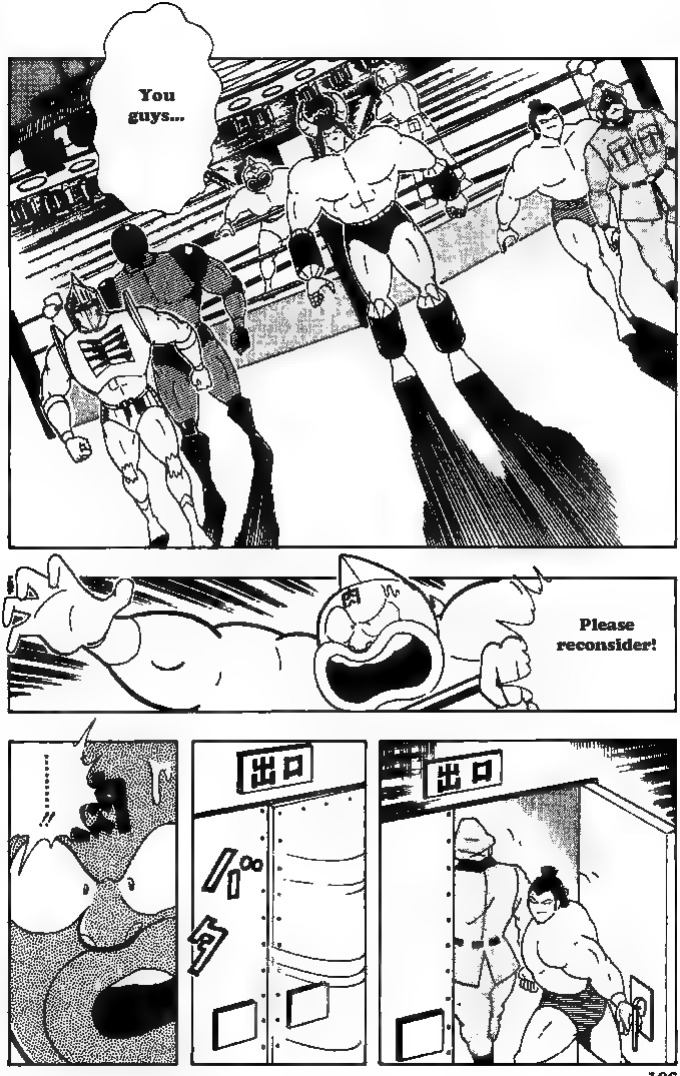
Huh!?
Kinnikuman, I've already signed up with Wolfman, too.
Robin!
Let's go, Warsman!
Hey, hold on!
Don't take it personally.
...but my desire to defeat you hasn't changed!
I have been reborn into Justice from a devil...
Buffalo-man!
I already have an idea for who to team up with in this tournament.



Terry! Can't you stop them!?
Guys!
We have no reason to stop any of them.
Friendship Power really is absurd!!
Thus, the Justice Chojin are no longer a team!

Dream Chojin Tag Arc 2

Terryman's Decision!



You guys...
Please reconsider!
出口
出口

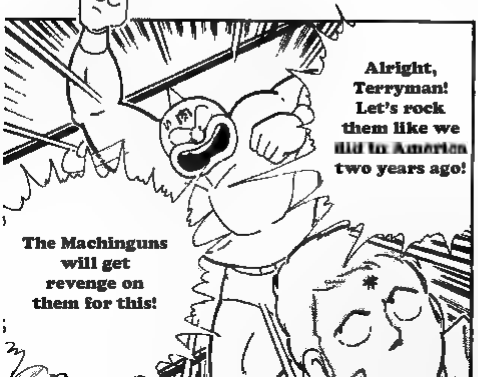
...my own allies!?

Why do I have to fight...

...why?

So we can all improve.

Heh heh heh... of course...
It forces us all to keep bettering ourselves.
We Justice Chojin still view each other as rivals.



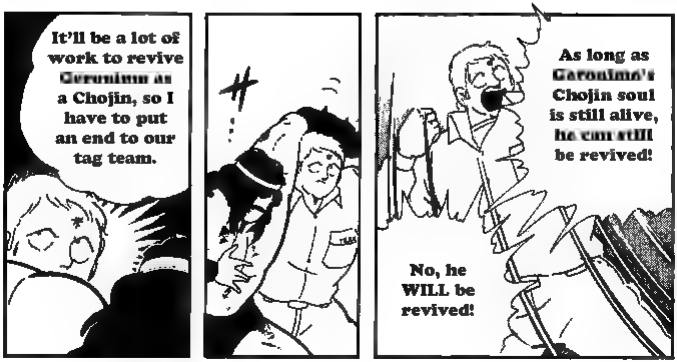
Alright, Terryman! Let's rock them like we did in America two years ago!
The Machineguns will get revenge on them for this!

Now I really want to fight those guys...

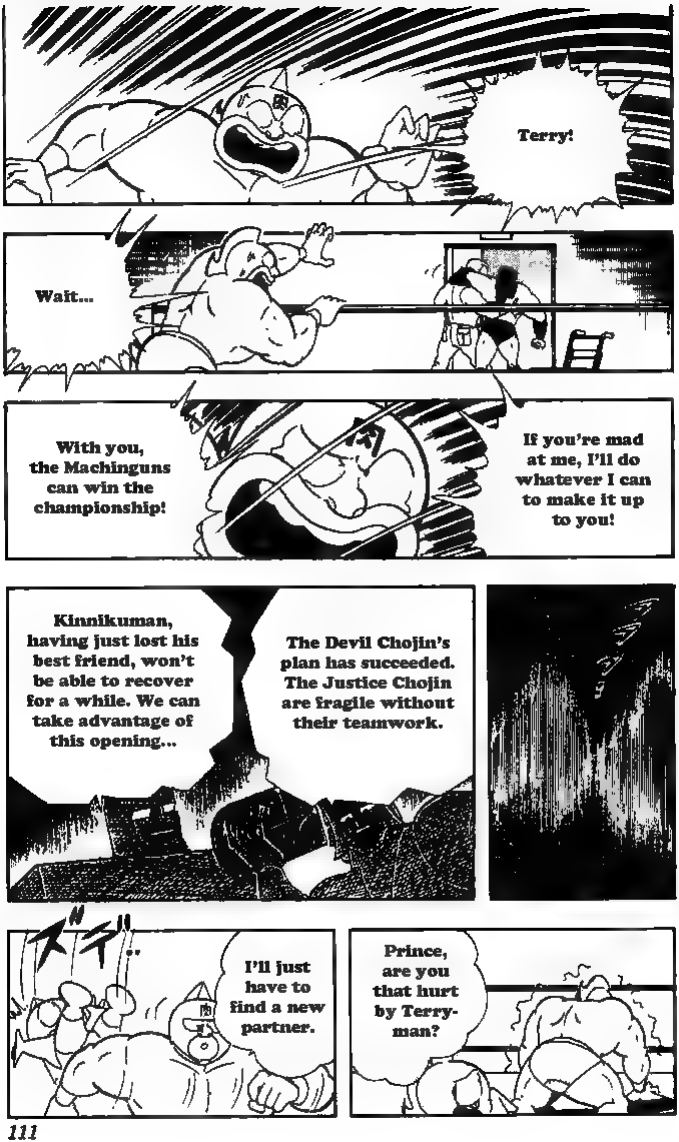
Kinnikuman, I've been thinking about that for a while, and...
Terry, you don't mean...
Yeah, I also think of you as a rival.
You're an opponent!
Yes. Just like all of the others...
So I have to fight you, too!?
However, now I'd like to move on.
Kinnikuman, words can't express all of the great times we've had as a tag team.
How could you possibly think of disbanding our tag team!?
I already have a new partner in mind.
I was thinking of training a young warrior.
So, who is this "young warrior"?

Geronimo!
That's...
It was all so he could help us save Warsman, but he ended up dying to save us from the collapsing five-tier ring.
It's Geronimo, who fought along side us while hiding that he was just a normal human.
But the Perfect Mask revived all of the Chojin who died fighting the Devil Knights!
I saw a true Chojin soul within him.

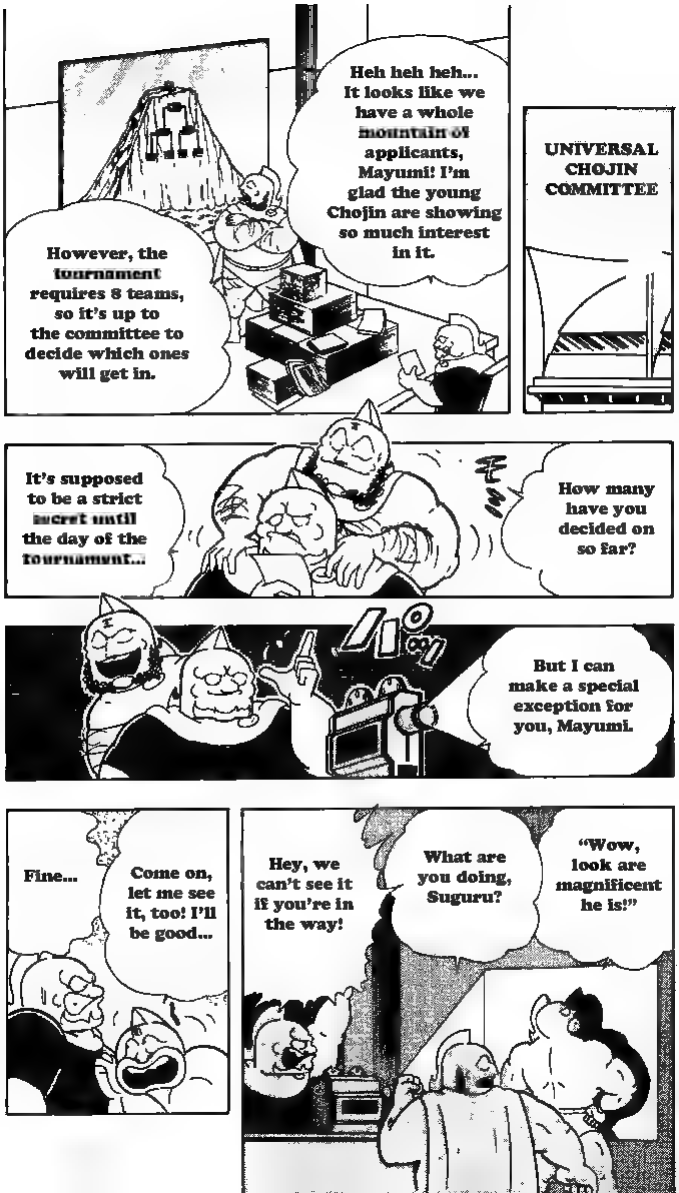
His soul is still dead.
His body was revived by the Perfect Mask, but in the end...
It's true, all of the Chojin were revived. However, as a human, the light didn't completely work on him.
He's a vegetable...
I haven't given up on him!



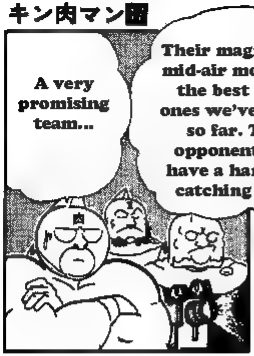
It'll be a lot of work to revive Geronimo as a Chojin, so I have to put an end to our tag team.
As long as Geronimo's Chojin soul is still alive, he can still be revived!
No, he WILL be revived!



Terry!
Wait...
With you, the Machinguns can win the championship!
If you're mad at me, I'll do whatever I can to make it up to you!
Kinnikuman, having just lost his best friend, won't be able to recover for a while. We can take advantage of this opening...
The Devil Chojin's plan has succeeded. The Justice Chojin are fragile without their teamwork.
I'll just have to find a new partner.
Prince, are you that hurt by Terry-man?

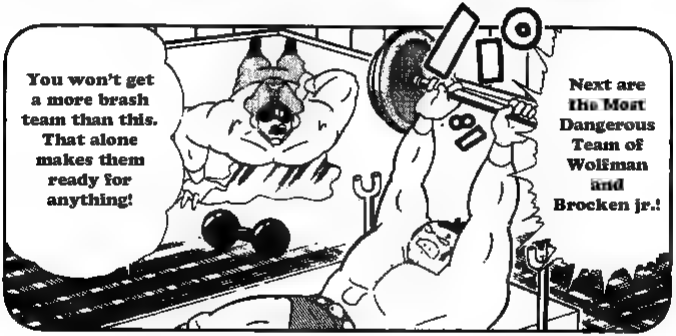


Heh heh heh... It looks like we have a whole mountain of applicants, Mayumi! I'm glad the young Chojin are showing so much interest in it.
However, the tournament requires 8 teams, so it's up to the committee to decide which ones will get in.
UNIVERSAL CHOJIN COMMITTEE
It's supposed to be a strict secret until the day of the tournament...
How many have you decided on so far?
But I can make a special exception for you, Mayumi.
Fine...
Come on, let me see it, too! I'll be good...
Hey, we can't see it if you're in the way!
What are you doing, Suguru?
"Wow, look are magnificent he is!"

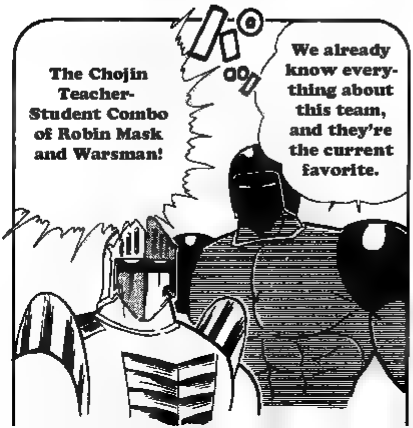


A very promising team...
Their magnificent mid-air moves are the best of the ones we've chosen so far. Their opponents will have a hard time catching them.

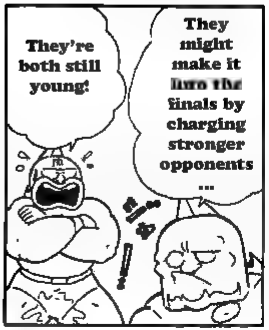
The first is the 4-D Killer Combo of Pentagon and Black Hole!



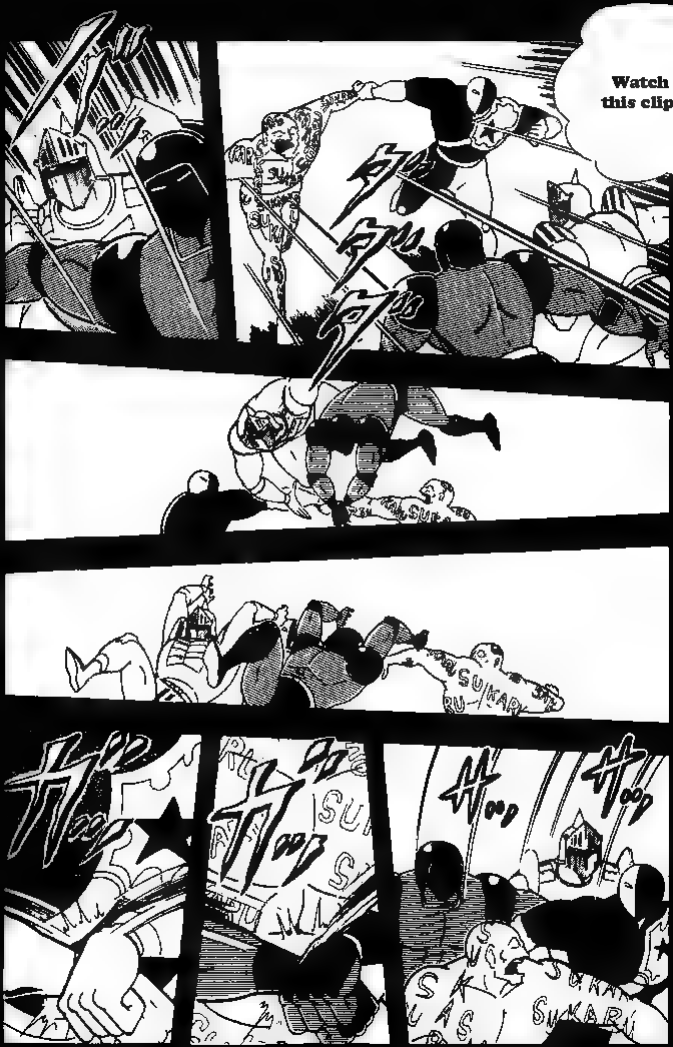
You won't get a more brash team than this. That alone makes them ready for anything!
Next are the Most Dangerous Team of Wolfman and Brocken jr.!



The Chojin Teacher-Student Combo of Robin Mask and Warsman!
We already know everything about this team, and they're the current favorite.



They're both still young!
They might make it into the finals by charging stronger opponents ...



Watch this clip.

SUKARU

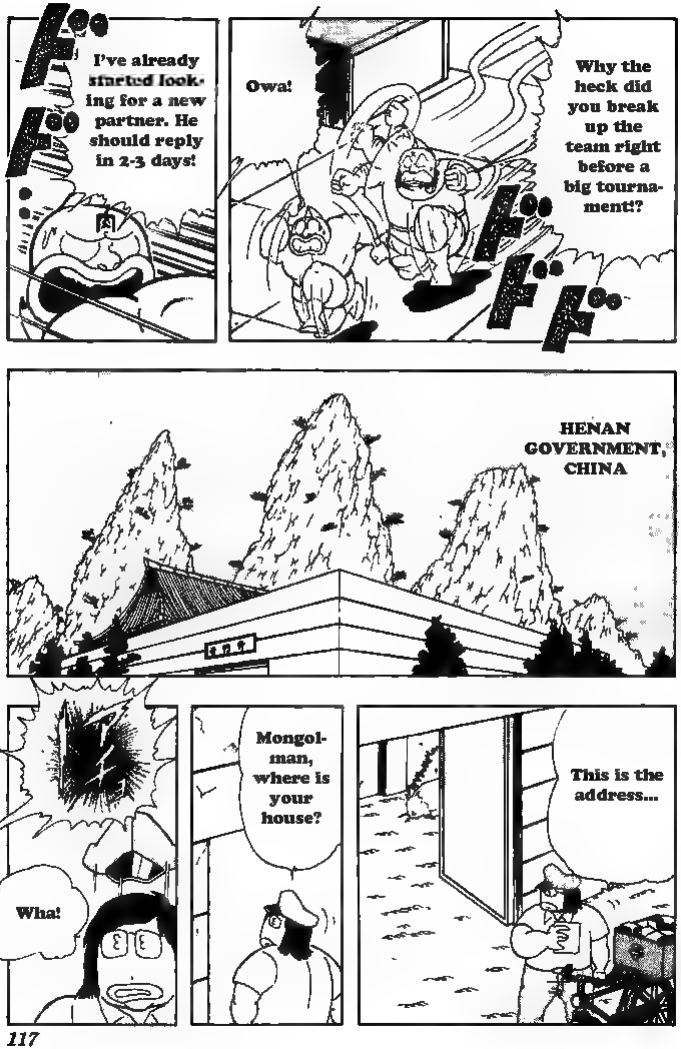
Ooh!
SUKARU
Double German Suplex Hold!
Those two are strong enough to easily take down those goons from before!
Tch!
That's how the Chojin Teacher-Student Combo has taken down even the All-American tag Champions, Skull Boze and Devil Magician!

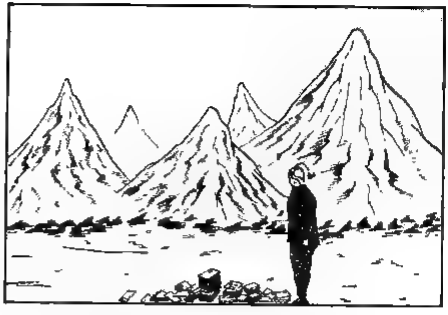
No, we have five teams remaining!
We've had many other teams enter, but so far we've only formally chosen those three.
That means we only get to choose one more...
The last one should be a team of Idol Chojin from America and Japan who have been called "The Funks of the Chojin World"...
It says they broke up three days ago.
According to the committee report, The Machineguns have been refused.
Bingo!
You mean me and Terry as The Machineguns!
You're just lying because he turned you down.
Well, since this tournament was so full of strong Chojin, I thought I'd drop Terryman in favor of someone stronger...
Is that true, Suguru!?
They broke up!?

Note: "The Funks" were the tag team of Terry Funk and Dory Funk Jr., who were popular in the 80s.



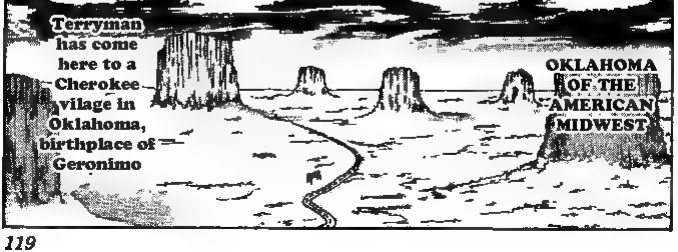
I've already started looking for a new partner. He should reply in 2-3 days!
Owa!
Why the heck did you break up the team right before a big tournament!?
HENAN GOVERNMENT, CHINA
Wha!
Mongolman, where is your house?
This is the address...

Um... Is Mongolman around here?
Yah!
Yah!
Yah!
If you have mail, leave it there.
Foo
Right...



HEY MONGOLMAN, THIS LETTER IS ALREADY THE 10TH I'VE SENT. TO START, TERRYMAN IS A TRAITOR! TOGETHER, WE COULD PUNISH THOSE CHOJIN GATHERING FROM ALL AROUND THE UNIVERSE! DON'T SAY NO! PLEASE RESPOND SOON!

-SUGURU KINNIKU



Come back, big brother!
Geronimo coming back to life like this is our fault, not his.
How could big brother Geronimo come back like this after he's been gone for so long trying to repay the Chojin that saved his life!?
Stupid! Stupid!
We don't care if you're a Chojin, we'll kill you!
Geronimo's soul is supposed to be dead, but he still...
Big Brother!

What's wrong with all of you?
Chief Cheyenne!
You can help revive Geronimo!
Right now, he's not very useful...
I want Geronimo's help with something!
Those fair eyes... If you're a Chojin, why did you come?
If he became a Chojin, he could be reborn!
Well, it's only impossible to revive a human.
That's true...
It's impossible. Even if I'm chief, I can't revive a dead human.

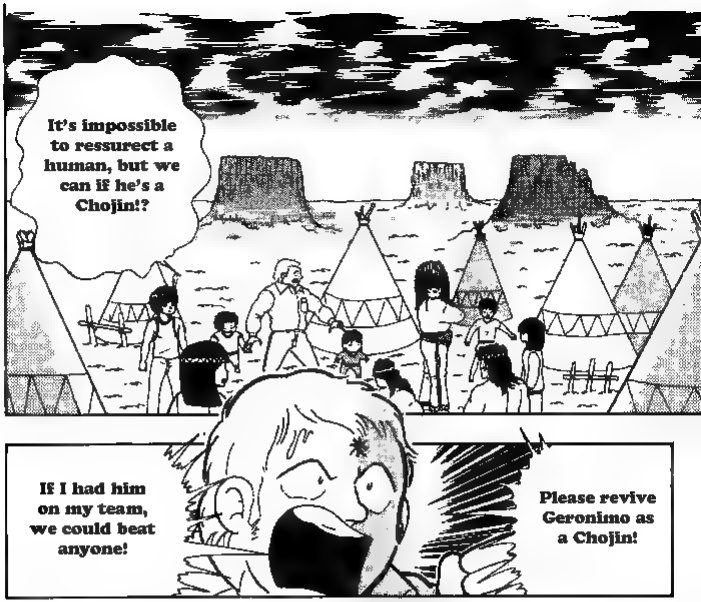
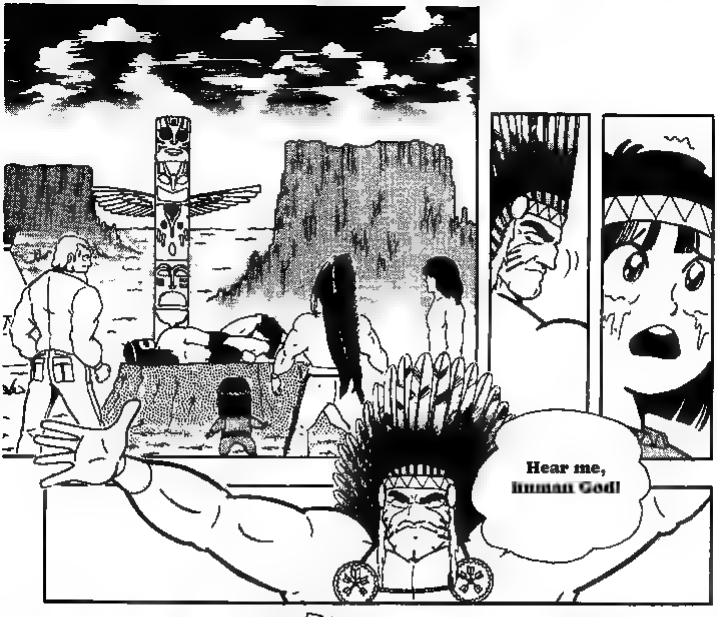
A Team Kinniku Reloaded

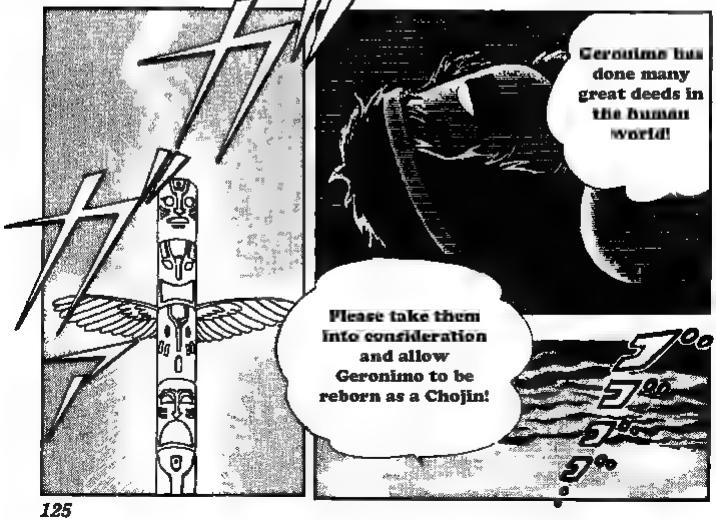


It's impossible to ressurect a human, but we can if he's a Chojin!?
If I had him on my team, we could beat anyone!
Please revive Geronimo as a Chojin!

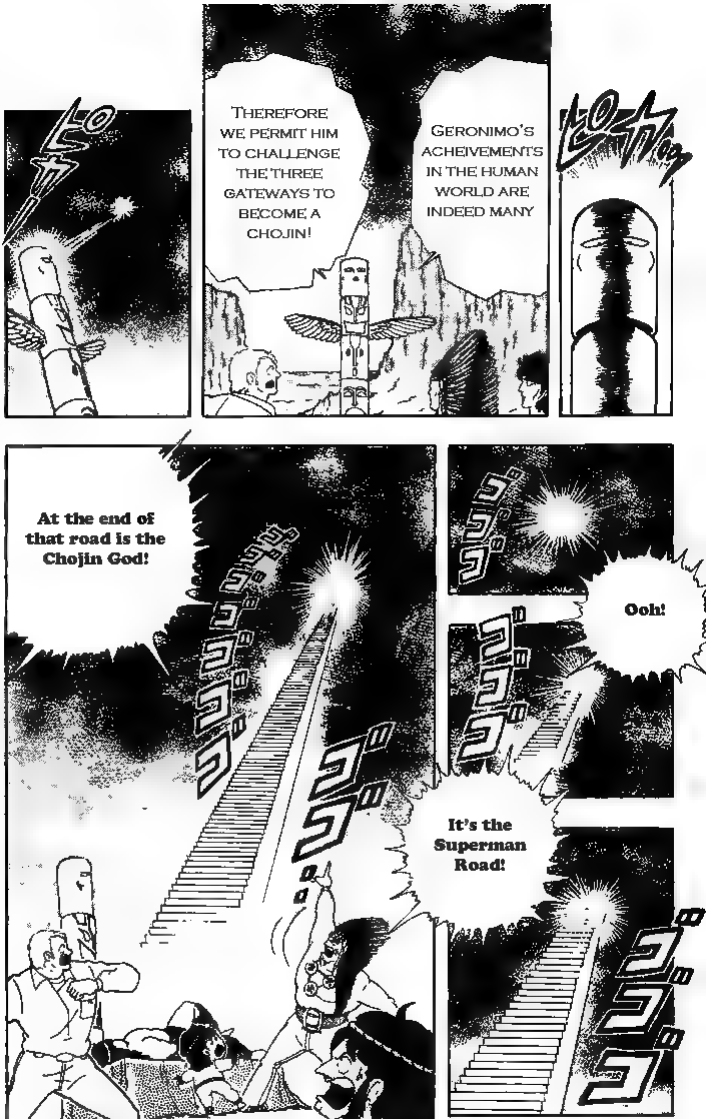
That's fine! Even if he might fail, it's worth the risk to talk to big brother again!
In order to turn from a human into a Chojin, he must undergo a trial that involves going from the human God to the Chojin God.
If it fails, Geronimo's body will be destroyed, and he'll no longer be a human or a Chojin...



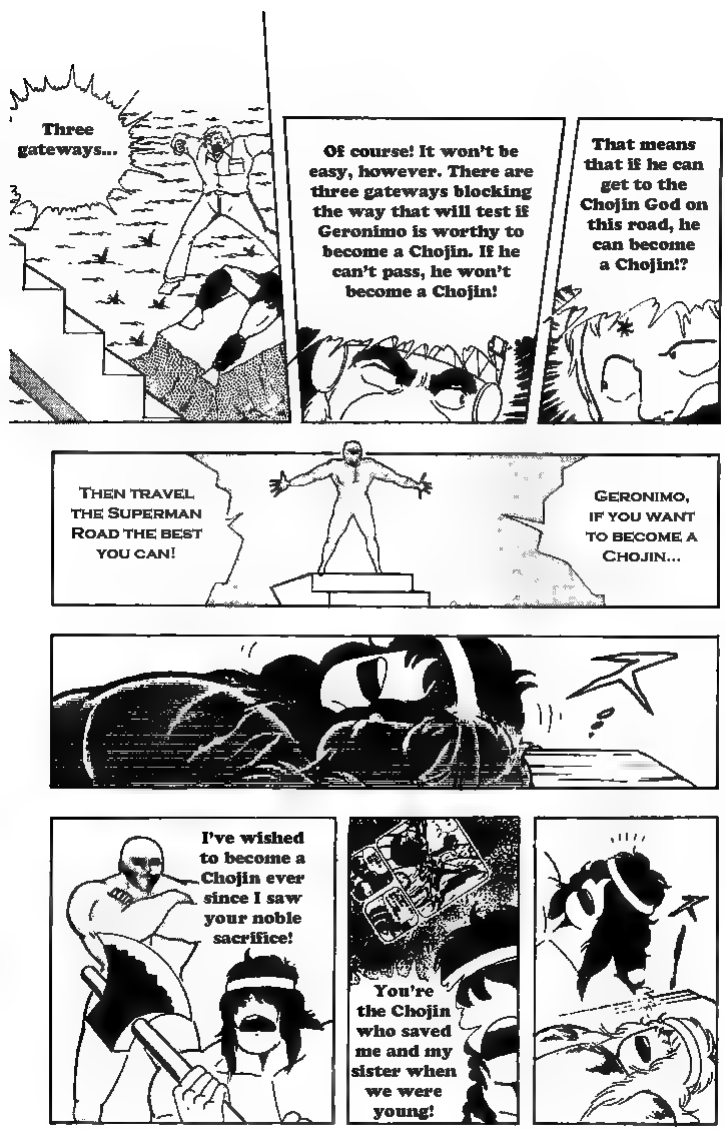
Hear me, human God!



Geronimo has done many great deeds in the human world!
Please take them into consideration and allow Geronimo to be reborn as a Chojin!

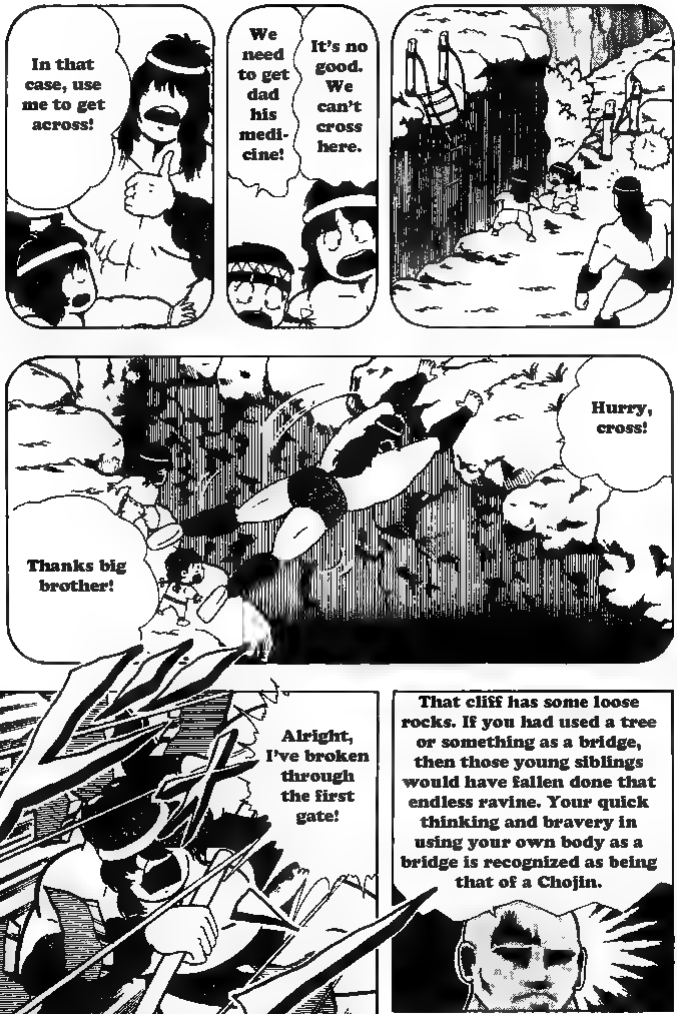


THEREFORE WE PERMIT HIM TO CHALLENGE THE THREE GATEWAYS TO BECOME A CHOJIN!
GERONIMO'S ACHEIVEMENTS IN THE HUMAN WORLD ARE INDEED MANY
At the end of that road is the Chojin God!
Ooh!
It's the Superman Road!



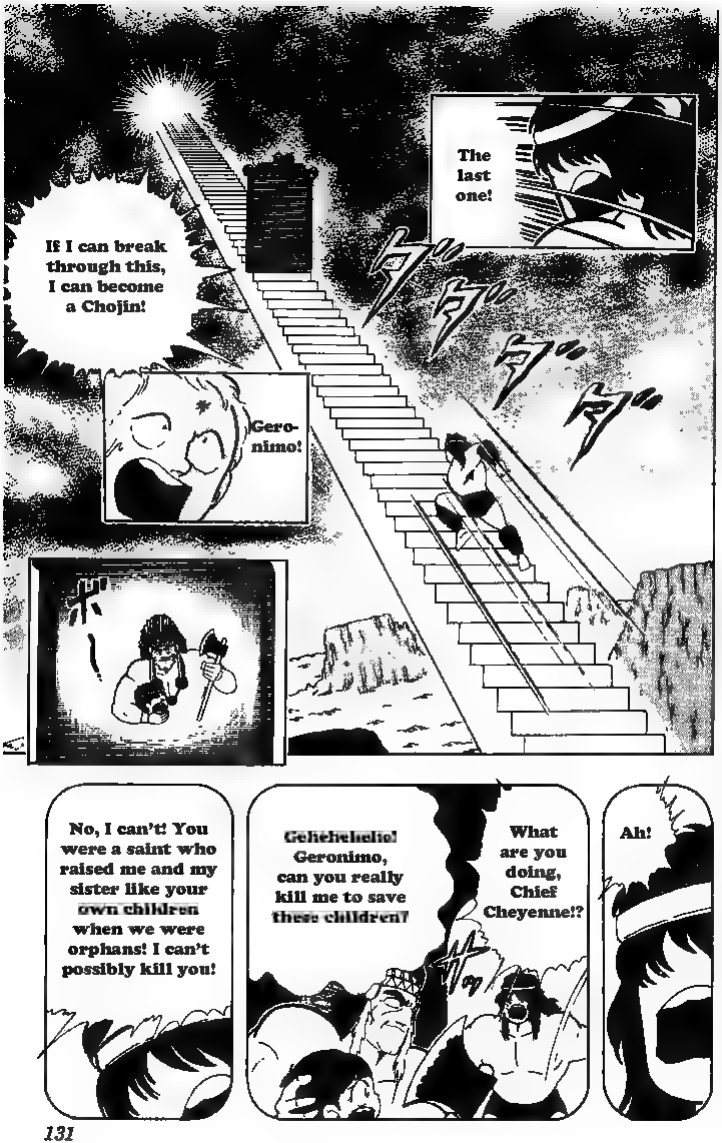
Three gateways...
Of course! It won't be easy, however. There are three gateways blocking the way that will test if Geronimo is worthy to become a Chojin. If he can't pass, he won't become a Chojin!
That means that if he can get to the Chojin God on this road, he can become a Chojin!?
THEN TRAVEL THE SUPERMAN ROAD THE BEST YOU CAN!
GERONIMO, IF YOU WANT TO BECOME A CHOJIN...
I've wished to become a Chojin ever since I saw your noble sacrifice!
You're the Chojin who saved me and my sister when we were young!

No matter what happens, I'll get closer to you by travelling this road!
Geronimo!
It's the first gateway!
Ha!



In that case, use me to get across!
We need to get dad his medi-cine!
It's no good. We can't cross here.
Hurry, cross!
Thanks big brother!
Alright, I've broken through the first gate!
That cliff has some loose rocks. If you had used a tree or something as a bridge, then those young siblings would have fallen done that endless ravine. Your quick thinking and bravery in using your own body as a bridge is recognized as being that of a Chojin.

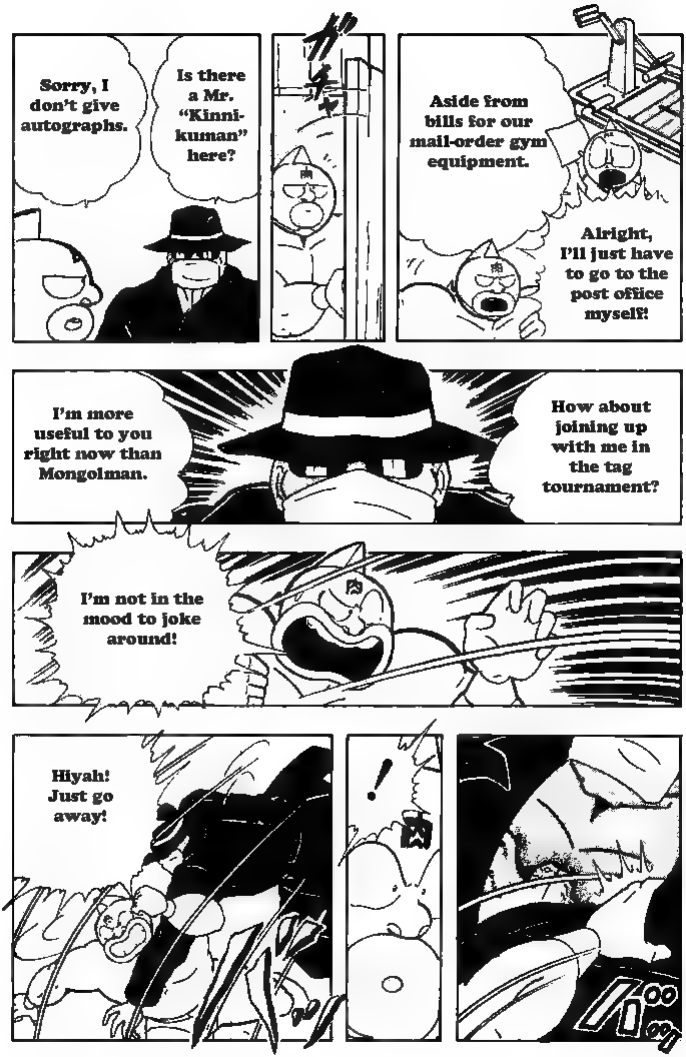
Next is the second gateway!
Watch out!
Wah!
The second one is broken!
That act could have cost you your life... this heart willing to die for others is also that of a Chojin!
Hurry up and get out of here!
Alright!



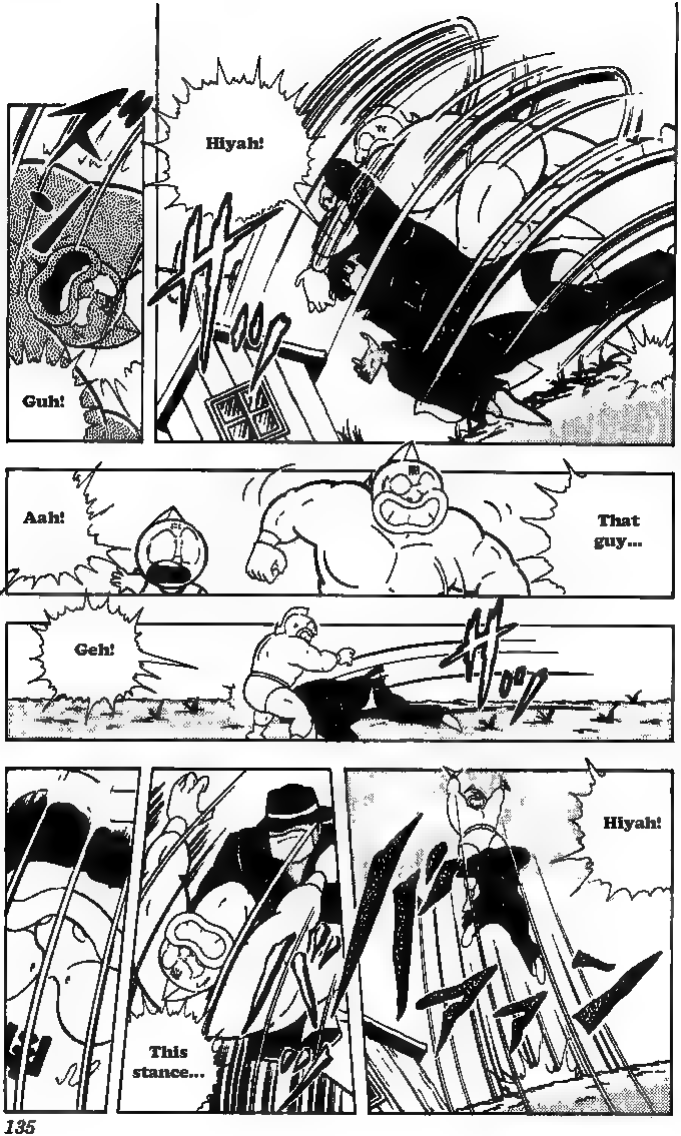
If I can break through this, I can become a Chojin!
The last one!
Gero-nimo!
No, I can't! You were a saint who raised me and my sister like your own children when we were orphans! I can't possibly kill you!
Gehehehehe! Geronimo, can you really kill me to save these children?
What are you doing, Chief Cheyenne!?
Ah!

This is terrible! How could you possibly do this!?
Kya!
Aah!
Kya!
If you don't kill me, these children will die!
Yah!
You've done it, Geronimo! From this day forth, you're a Chojin!
Huh?
You've done well, Gero-nimo.
The Chojin God!
You have a heart that can distinguish between "evil" and "being a good person". You pass.

Only 8 teams can get in, and more teams keep popping up besides the three we picked earlier.
Surugu, Terryman has already found a partner to replace you, but you haven't. What's taking so long?
Hey!
The Hell Missionaries #1 & #2. They're evangelists from hell whose identities are unkown.
We've decided on these three: The technique combo of Specialman and Cannonballman.
Plus the new combo of Terryman and Geronimo. That brings us up to six teams total.
It's empty.
Is that true!? Meat, check the mailbox!
Don't worry dad, I've been hiding something. Today I should be getting a letter from China's Mongolman agreeing to be my partner.



Sorry, I don't give autographs.
Is there a Mr. "Kinnikuman" here?
ガチャ
Aside from bills for our mail-order gym equipment.
Alright, I'll just have to go to the post office myself!
I'm more useful to you right now than Mongolman.
How about joining up with me in the tag tournament?
I'm not in the mood to joke around!
Hiyah! Just go away!
!



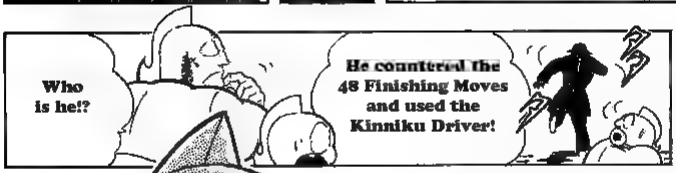
Hiyah!
Guh!
Aah!
That guy...
Geh!
Hiyah!
This stance...

Aah!

That's all for today.

The Kinniku Driver!

Call me if there's anything you need.



Who is he!?
He countered the 48 Finishing Moves and used the Kinniku Driver!

That tan skin... those movements...

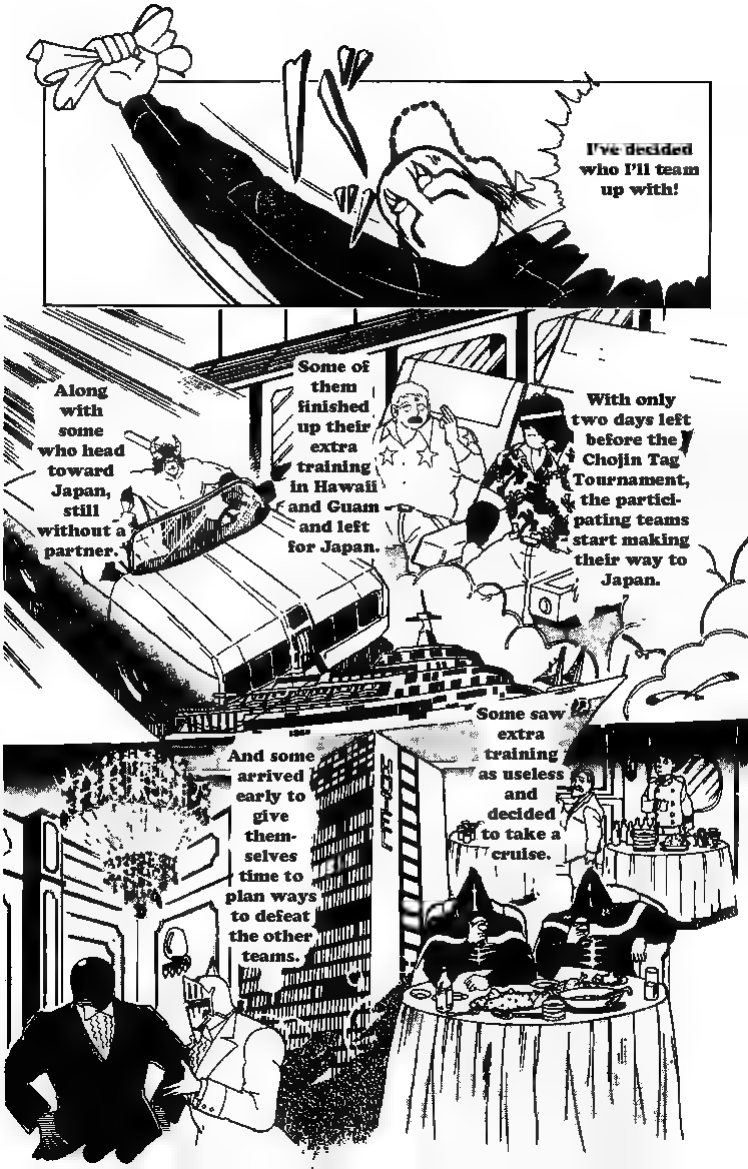
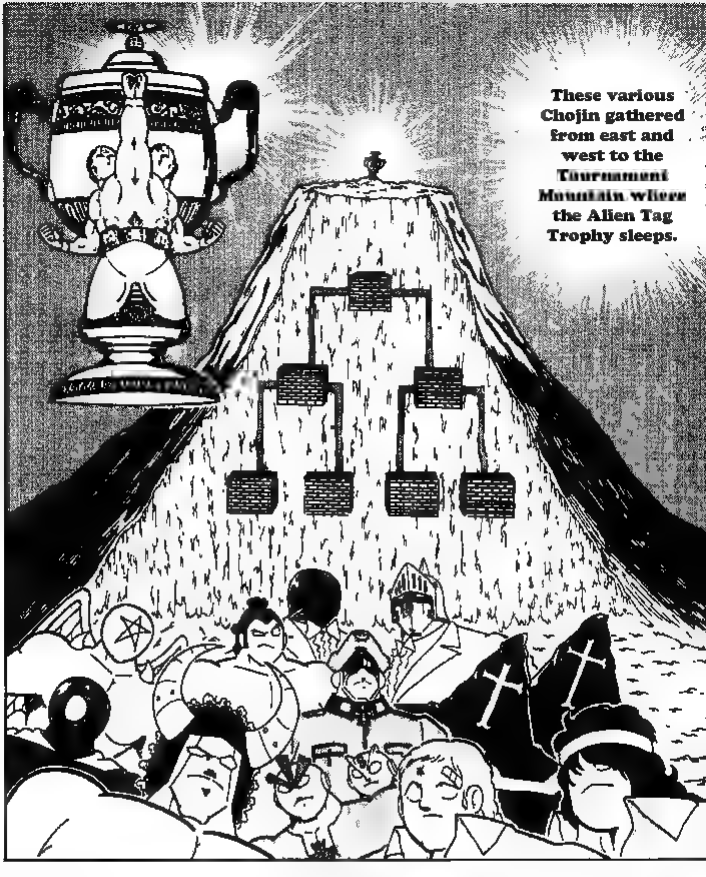
A Team Kinniku Release

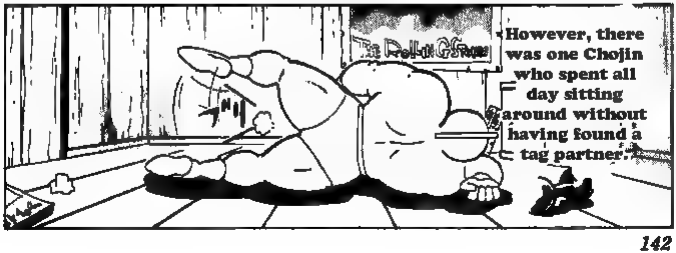
That's not all that worries me...
...but my long-time friendship with Kinnikuman is also important...
HANAN MINISTRY, CHINA
I'm sure it would be great to team up with the 10 Million power Buffalonman...
I only have three days left to choose whose letter I'll respond to...
That's it!
KA-KAKAKA! Keep on worrying, Justice Chojin! The more troubled you are, the easier our job becomes!



I've decided who I'll team up with!
Along with some who head toward Japan, still without a partner.
Some of them finished up their extra training in Hawaii and Guam and left for Japan.
With only two days left before the Chojin Tag Tournament, the participating teams start making their way to Japan.
Some saw extra training as useless and decided to take a cruise.
And some arrived early to give themselves time to plan ways to defeat the other teams.



These various Chojin gathered from east and west to the Tournament Mountain where the Alien Tag Trophy sleeps.



However, there was one Chojin who spent all day sitting around without having found a tag partner...

So this is what it comes down to...
Don't worry, Mongolman will respond soon. I can have whoever I want as a partner, no matter how bad they are.
Prince, the tournament is in two days, what are you going to do!?
You're too kind...
What will happen when you're defeated!?
ME
I'll be Suguru's partner after he's rejected by Mongolmn!
Your highness, what are you doing?
And finally, the day of the tournament arrived...

We're here at Tag Mountain, right next to Mount Fuji!
Finally, the first Universal Chojin Tag Team Tournament is taking place with the whole universe watching!

Here come the teams!

This is the place where the 8 teams will compete in a series of deathmatches, each hoping to obtain the legendary Tag Trophy waiting at the summit of Tag Mountain!
LYNX

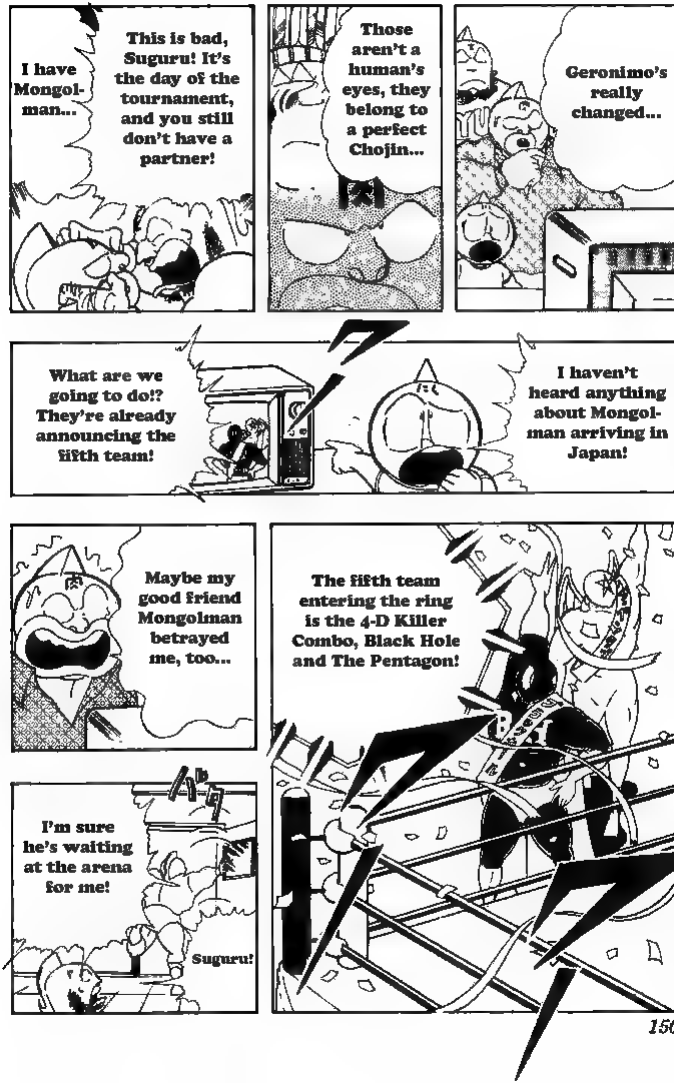
Kya-!
Kya-!
Wolfman!
Kya-! Brocken!
Now entering the area are the Most Dangerous Combo of Brocken Jr. and Wolfman!
They're extremely popular, which is to be expected from Idol Chojin!
Kya-!
Now entering...

Kya-! Robin!
Warsman, look over here!
More Idol Chojin! It's the Chojin Master and Student Combo of Robin Mask and Warsman!
Even my loincloth couldn't hide that...
This isn't the usual Warsman and Robin Mask.
We're still always warriors walking toward our demise.
Warsman, remember that even though we're Idol Chojin...

Nothing is known about this duo, not even their birthplace or fighting style! Are they Violent Chojin, or just unorthadox!?
Kuo Kuo Kuo!
The arena has suddenly gone silent! It's the mysterious masked team, the Hell Missionaries, #1 and #2!
It's Terryman, who has ended The Machineguns with Kinnikuman to create The New Machineguns with his new partner, Geronimo!
I'm not feeling so well...
Well, the arena has suddenly become bright again as the fourth team enters!
Kya-!

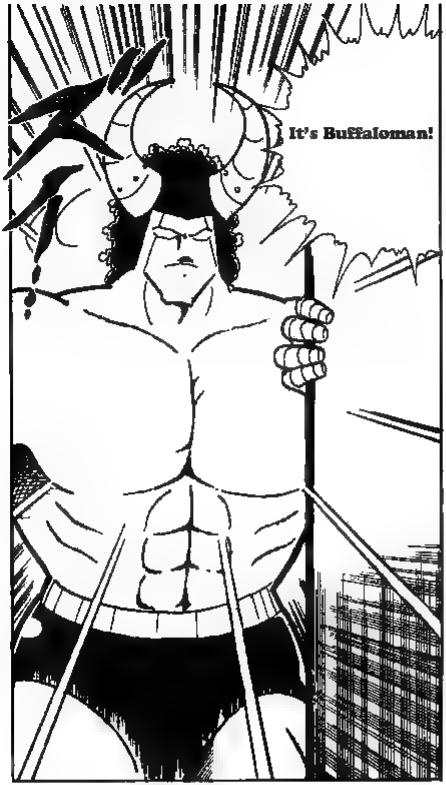
After breaking apart his team with that selfish Kinnikuman, it looks like the quiet Geronimo was a much better choice.
Prince!
That traitor!
What do they mean "The New Machine-guns"!?
WHAT!?
Control yourself, Prince! They're just introducing Geronimo, who's making his debut as a Chojin!
The new partner, Geronimo, is slowly following behind Terryman!
Eh?

You can do it, Geronimo!
Aah!
Geh!
That was too much! Chojin Power is only for hitting other Chojin in the ring!
It looks like he was thirsty for a bit of blood before the match even started!
Geronimo's Chojin Power is a bit out of control since he was a human until recently...
That kid was selfishly touching my body!

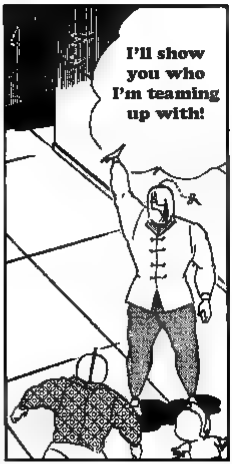


I have Mongol-man...
This is bad, Suguru! It's the day of the tournament, and you still don't have a partner!
Those aren't a human's eyes, they belong to a perfect Chojin...
Geronimo's really changed...
What are we going to do!? They're already announcing the fifth team!
I haven't heard anything about Mongol-man arriving in Japan!
Maybe my good friend Mongolman betrayed me, too...
The fifth team entering the ring is the 4-D Killer Combo, Black Hole and The Pentagon!
I'm sure he's waiting at the arena for me!
Suguru!

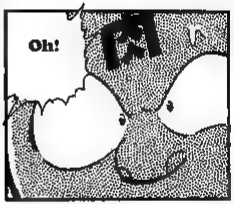
Mongolman, where are you...?
Mongolman!
You're here! I knew you'd come, Mongolman!
It's been a while, Kinnikuman...
I'm not here to form a tag team with you, Kinnikuman...
What!?
What mistake?
Actually, I think you've made a mistake...



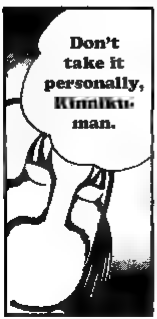
It's Buffaloman!



I'll show you who I'm teaming up with!

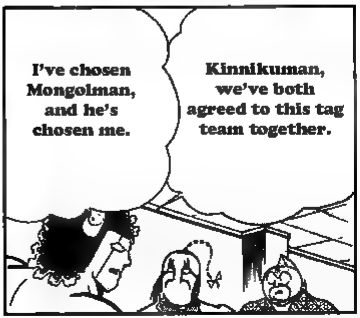


Oh!



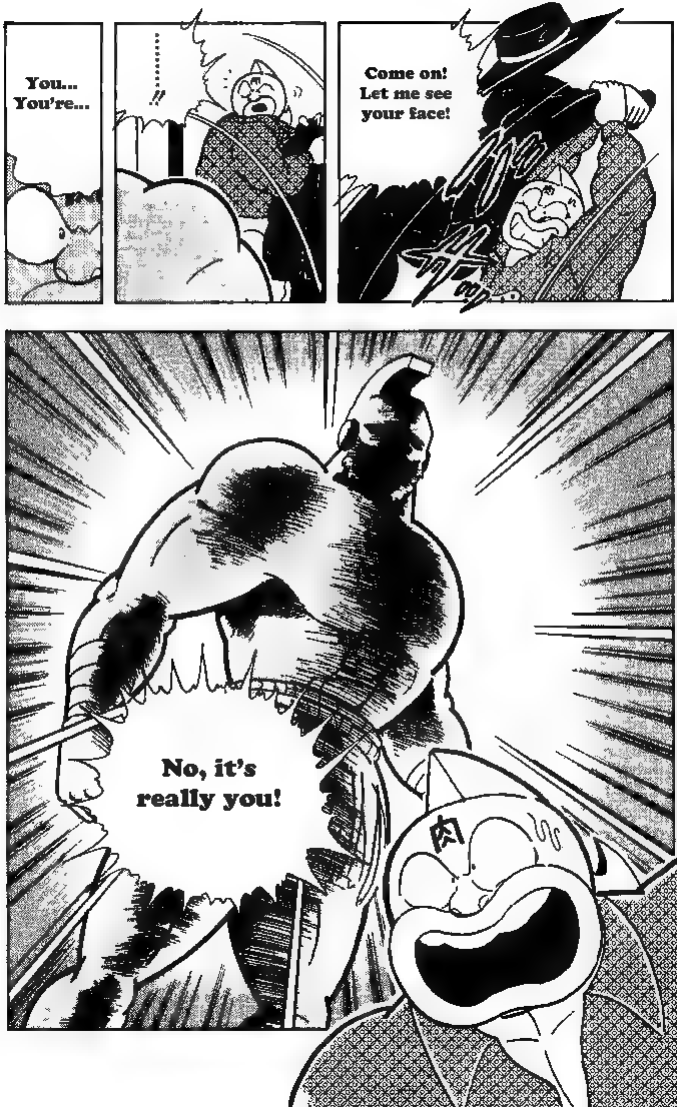
Don't take it personally, Kinnikuman.

.....



I've chosen Mongolman, and he's chosen me.
Kinnikuman, we've both agreed to this tag team together.

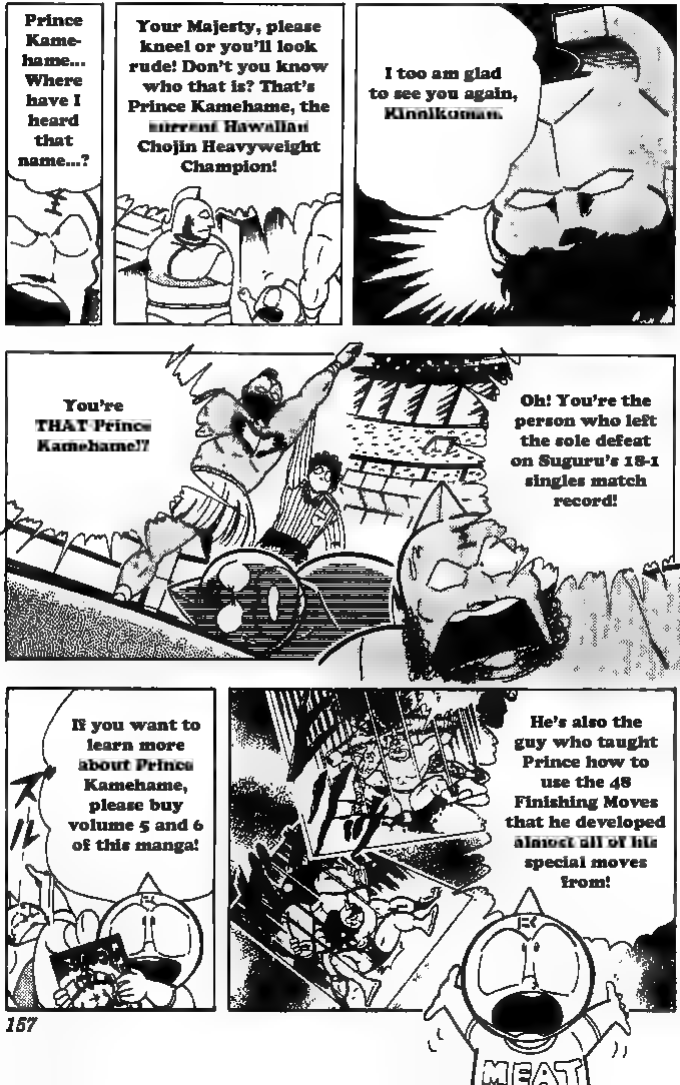
Of course not, Mongolman! It's your choice!
Geh!
Heh heh heh...
It's you again!
Who are you and what do you want!?
First Terryman, and now Mongolman...
Since they both rejected you, why not team up with me?



You...
You're...
!!
Come on!
Let me see
your face!
No, it's
really you!

Partner Decision!

Entering now is team number 6, who was supposed to be Kinnikuman and Mongolman, but it looks like Buffalonman is there instead!
For some reason, it looks like they've formed the 20 Million Powers!
おお
It's been a while, Master! I'm happy to see you here!
So, you finally remember me...



Prince Kamehame... Where have I heard that name...?
Your Majesty, please kneel or you'll look rude! Don't you know who that is? That's Prince Kamehame, the current Hawaiian Chojin Heavyweight Champion!
I too am glad to see you again, Kinnikuman.
You're THAT Prince Kamehame!?
Oh! You're the person who left the sole defeat on Suguru's 18-1 singles match record!
If you want to learn more about Prince Kamehame, please buy volume 5 and 6 of this manga!
He's also the guy who taught Prince how to use the 48 Finishing Moves that he developed almost all of his special moves from!
MEAT

Master, I'll never forget my special training in Hawaii as long as I live!
Yes, you did well enduring all of the pain of my training.
It looks like there's at least one person who wasn't hit on the head...
At first glance, it seems he's not afraid of being seen with Suguru.
The union of Justice Chojin that's held so strongly until now has began breaking due to the opening of this tournament, when it shouldn't be breaking at all!
Being cheated?
You're being cheated out of this tournament!
But Master Kamehame, what is your purpose for coming here?

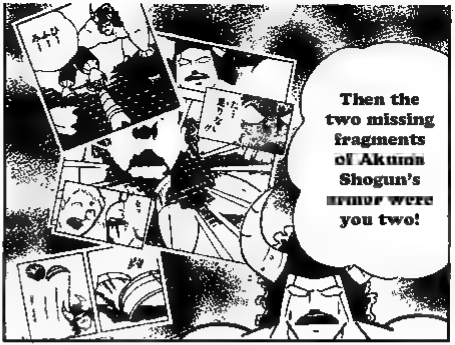
I don't want to end my friendship with Terry or Robin...
...but they're entering this tournament just so they can fight me!
How could we reunite them to ward off the likes of the Devil Chojin when they're all so hostile?
Everyone saw the trophy and were just struck by greed.
肉
Someone is doing this so that they can take advantage of the disorder it's causing.
No, this isn't their fault.
Really, Master!?
Hopefully, we can prevent this scheme before it happens.
I'm going to be your partner in this tag tournament.
Alright, with Master Kamehame as my partner, this'll be an easy victory!
Prince, you're the most greedy person here!
I am a Justice Chojin and I'm doing this for the young Chojin as my final duty,

Luckily, you and I have a very similar height and weight.
Yeah, I don't want to expose how old my body's getting, so I'll be entering under the guise of a young Chojin.
While we're at it, Master, you should wear something cool so you can compete with the trendy styles of the young Chojin.
That's why I've prepared this!
Aah! A black [redacted] Mask!?
...but the 8th team still hasn't shown up!
What's wrong with them!?
Well, since the 7th team, The Big Bombers of Specialman & Canadianman, have entered the ring, we've been waiting here quite a while...

I'm partially to blame for that, but...
Whatever's happened, it must be because Kinnikuman still hasn't found a partner yet...
Kinniku-man...
Chairman, we've reached the time limit. We've waited for Kinnikuman as long as can, but he won't be coming...
In this case, the tournament committee has gathered to discuss this matter...
Then we'll just have to start the tournament with the 7 teams who are here, I guess...
Who's that!?
HOLD ON!

Chairman! Although this is a bit sudden, we'll be the Mh team in Chojin Tag Team Tournament!
Ashuraman and Sunshine!
The Devil Chojin are alive!

But you two were pulled here like a moth to a flame...

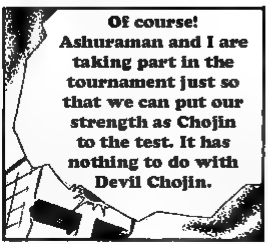


Then the two missing fragments of Akuma Shogun's armor were you two!

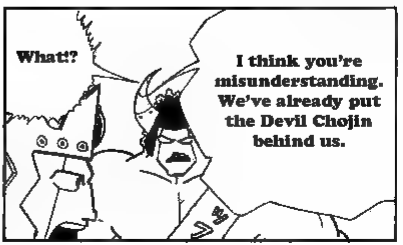
KA-KAKAKA!

Ooh!
Alright everyone, let's see how fast we can kick these devils out of the ring!

We'll cooperate, Buffaloman!
We were all going to do that, anyway!

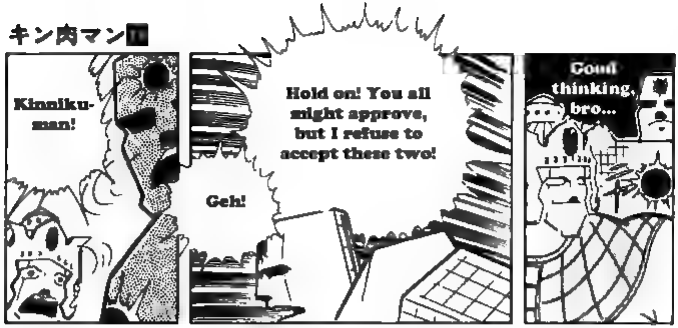


Of course! Ashuraman and I are taking part in the tournament just so that we can put our strength as Chojin to the test. It has nothing to do with Devil Chojin.



What!?
I think you're misunderstanding. We've already put the Devil Chojin behind us.

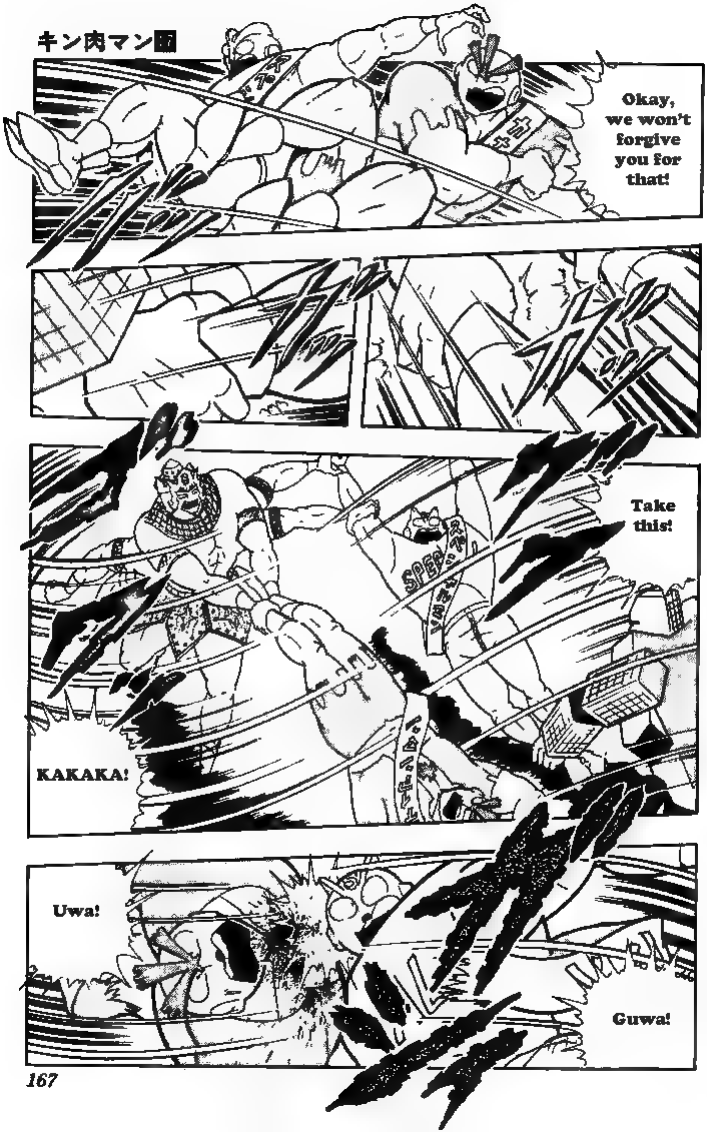
The Universal Chojin Association is in need of a second opinion...
Of course.
But this tournament isn't open-invitation!
What do you all think!? Should they kick us out just because we used to be Devil Chojin!?
The Justice Chojin must be afraid of the Sunshine/Ashura-man team!
Shouldn't this tournament allow all Chojin!? What, what!
Yo, that's pitiful!
I have no objection, either.
Yeah, Justice nor Devil!
...I don't turn down a fight from anyone...



Kinnikuman!
Geh!
Hold on! You all might approve, but I refuse to accept these two!
Good thinking, bro...

Chairman, although we're late, Kinnikuman will be entering as the 8th team with his new partner, Kinnikuman Great!

Hmm ...
Pardon me, Chairman, but we can only have eight teams take part. We need to find a way to eliminate one of them.
Probably just some loser Chojin who has to wear a mask.
Who exactly is this "Kinnikuman Great"?
ボキボキ
If that's the case, we can just use force.
What!?
Isn't that right, Canadianman and Specialman?
A weak team should be happy not to have to compete.
What, you two have honor now!?
Back off, Terryman! This is a matter of our Chojin honor!
Just ignore him, guys!
Take back that "weak team" crack!
ナナナナ



Okay, we won't forgive you for that!

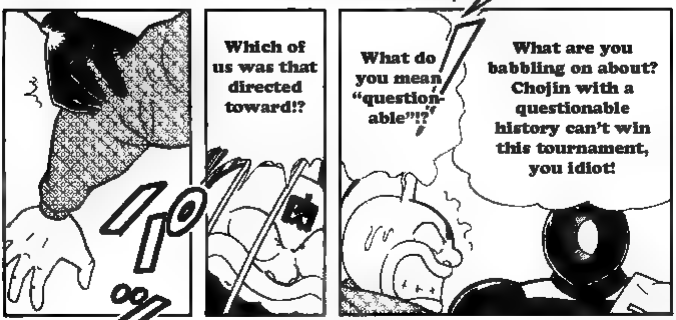
Due to Specialman and Canadian-man being eliminated, the eight teams have been decided!

Wahahaha! This trophy will belong to the Muscle Brothers!



Which of us was that directed toward!?
What do you mean "questionable"!?
What are you babbling on about? Chojin with a questionable history can't win this tournament, you idiot!

What's with the "Kara-Kara"!?
I have no problem with that. We have our own brand of soft-body gymnastics.
If you're so confident, why not face the 4-D Killer Combo?

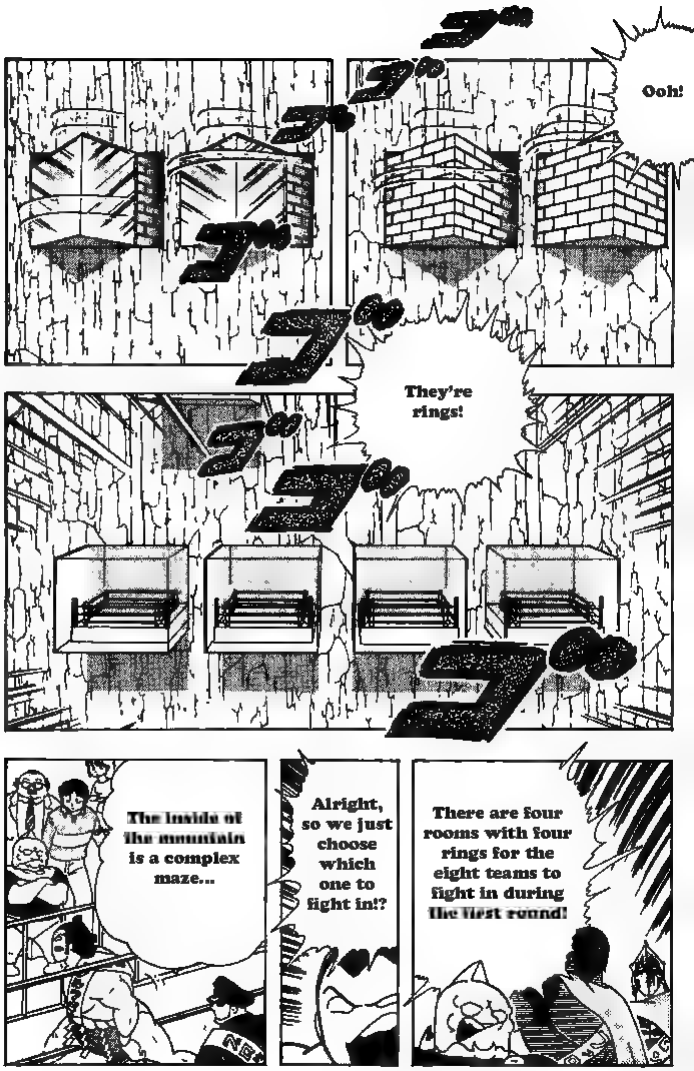
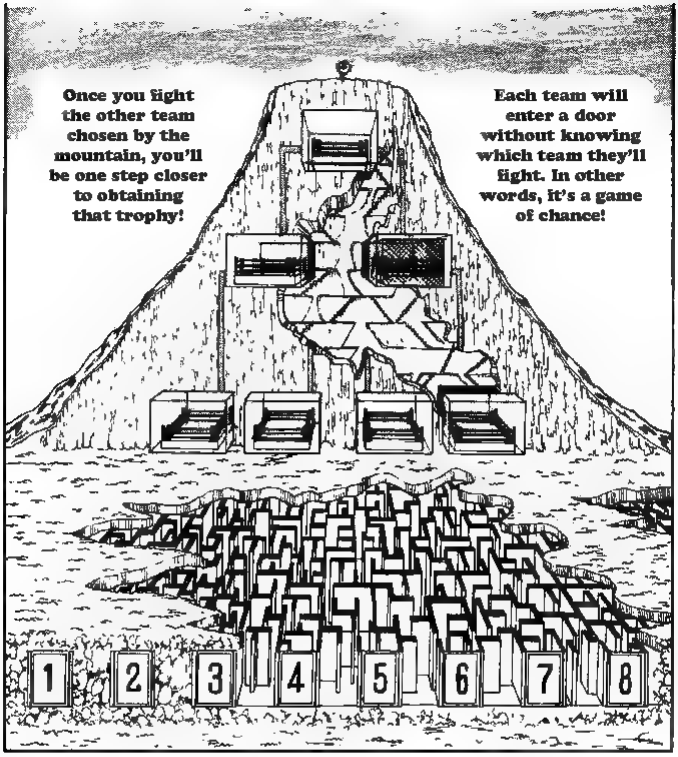
It's just too bad neither of you have a face to cry with!
I'll show you right now!
We still haven't selected the match-ups!
Hey, don't get ahead of yourselves!
Look at the first round on the mountain!
What!?
It will be determined by Tournament Mountain!



Ooh!
They're rings!
The inside of the mountain is a complex maze...
Alright, so we just choose which one to fight in!?
There are four rooms with four rings for the eight teams to fight in during the first round!



Once you fight the other team chosen by the mountain, you'll be one step closer to obtaining that trophy!
Each team will enter a door without knowing which team they'll fight. In other words, it's a game of chance!

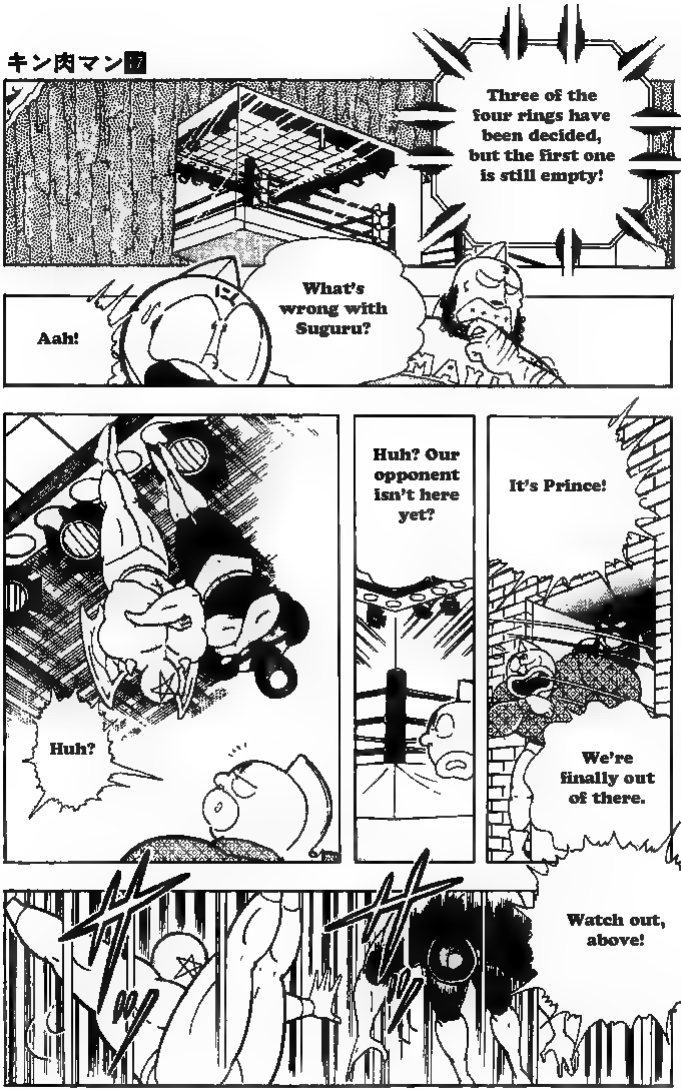
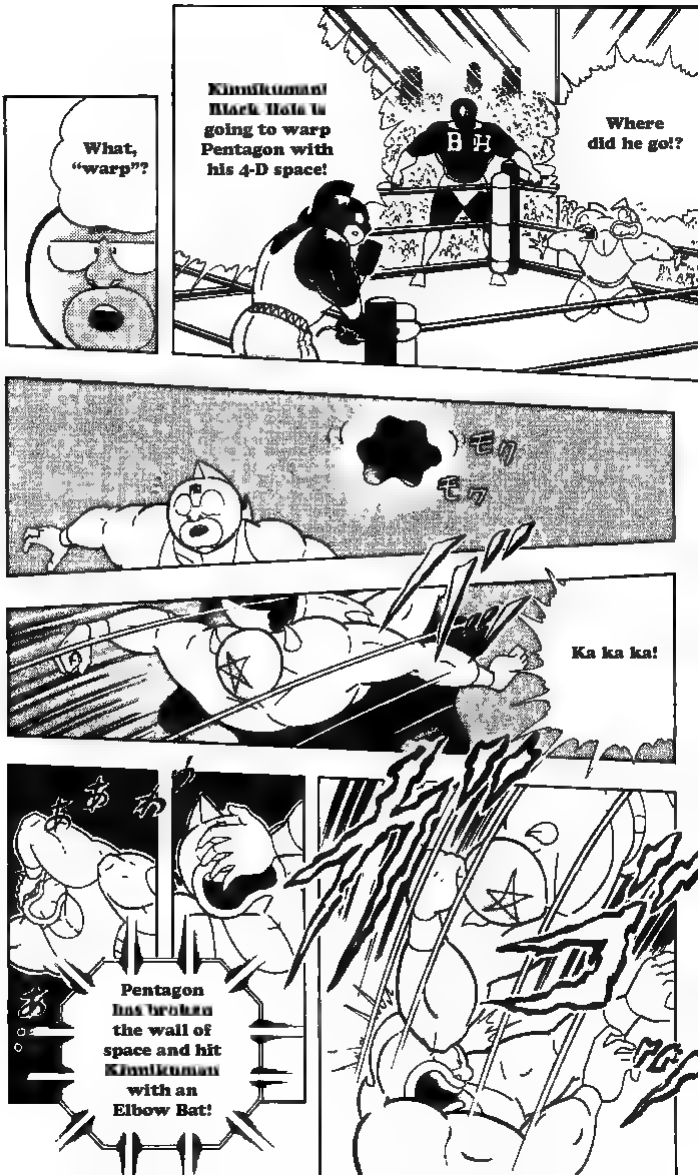
The second ring has already led to a clash between Justice Chojin!
Mongolman and Buffaloman!
Hurry up and close the door!
4th Ring: New Machineguns vs. Stray-Devil Chojin Combo
What a terrible team for our first match...
It looks like the 4th ring has also been decided!
You two are lucky to be facing the predicted winners in the first round.
3rd Ring: Chojin Teacher-Student Combo vs. Hell Missionaries
...and the 3rd ring has been decided!



Three of the four rings have been decided, but the first one is still empty!
What's wrong with Suguru?
Aah!
Huh?
Huh? Our opponent isn't here yet?
It's Prince!
We're finally out of there.
Watch out, above!

Ka ka ka ka
Guh!
Well.
It looks like the match in the first ring has started very suddenly!
1st Ring: "Muscle Brothers" vs. "4-D Killer Combo"
How could I stay calm after a surprise attack!?
Damn cowards!
Kinnikuman, let me take over for a bit. You're not calm right now.
The first fight is Kinnikuman vs. Pentagon!

Die!
It's Pentagon's Flying Body Attack!
But Kinnikuman catches him and throws Pentagon out of the ring!
You jerk!
4-D Warp!
Pentagon's body is being sucked into Black Hole's face!



What, "warp"?
Kinnikuman! Black Hole is going to warp Pentagon with his 4-D space!
Where did he go!?
Ka ka ka!
Pentagon has broken the wall of space and hit Kinnikuman with an Elbow Bat!

Should I switch with Master?
Kinnikuman is bleeding hard.
Switch! Tag me in, Kinnikuman!
That request...
Kinnikuman falls fast!
Prince!
I still haven't forgiven you!
Guh!
Ka ka!

The 4-D Combo switches from Pentagon to Black Hole!
Kinnikuman!
Tag, Kinnikuman!
Suguru!
Prince!
You're putting yourself in danger, Kinnikuman!
Black Hole throws Kinnikuman to the ropes!

I'm your tag partner, Kinnikuman Great.
Kinnikuman! I'm not your Master in this tournament!
Those are just words. Embarrassing myself infront of my Master is something I can't do!
I'll make up for it later.
Kekeke, a Flying Body Attack! I can block that!
The Muscle Brothers have tagged in Kinnikuman Great!
Yah!

This isn't a Body Attack!
